Page 2: Part 1: Country information

Q1

Please enter the name of the country on behalf of which you are submitting a national report:

Complete survey but no report upload DJIBOUTI

Q2

Please enter the name and institution of the national focal point who is submitting the report:

Institution **Ministère de la Femme et de la Famille**

Q3

Please enter the email address of the national focal point who is submitting the report. This person might be asked to validate the submitted information:

choukridjibah@yahoo.fr

Page 3: Part 2: Priorities, achievements, challenges and setbacks

Q4

Over the past five years, which of the following have been the top five priorities for accelerating progress for women and girls in your country through laws, policies and/or programmes? (Please check a maximum of five boxes)

Quality education, training and life-long learning for women and girls

,

Poverty eradication, agricultural productivity and food security

,

Eliminating violence against women and girls,

Political participation and representation,

Gender-responsive social protection (e.g. universal health coverage, cash transfers, pensions)

Q5

Over the past five years, have you taken specific measures to prevent discrimination and promote the rights of marginalized groups of women and girls? (please check relevant categories)

Women and girls living in remote and rural areas,
Women and girls with disabilities,
Women and girls living with HIV/AIDS,
Younger women,
Refugee and internally displaced women and girls

Q6

Over the past five years, which of the following crises have affected the implementation of the BPfA in your country? (please check relevant categories)

COVID-19 and other pandemics,
Climate crisis

Q7

Over the next five years, which of the following does your country consider to be the top five priorities for accelerating progress for women and girls in your country through laws, policies and programmes? (Please check a maximum of five boxes)

Quality education, training and life-long learning for women and girls
,
Eliminating violence against women and girls,
Access to affordable quality health care, including sexual and reproductive health and reproductive rights
,
Political participation and representation,
Gender-responsive social protection (e.g. universal health coverage, cash transfers, pensions)

Page 4: Part Three: Progress across the 12 critical areas of concern

Q8

Over the past five years, what actions has your country taken to advance gender equality in relation to women's role in paid work and employment? (please check relevant categories)

Strengthened / enforced laws and workplace policies and practices that prohibit discrimination in the recruitment, retention and promotion of women in the public and private sectors, and equal pay legislation
,
Introduced / strengthened gender-responsive job creation and active labour market policies (e.g. education and training, skills, subsidies)
,
Improved financial inclusion and access to credit, including for self-employed women
,
Supported the transition from informal to formal work, including legal and policy measures that benefit women in informal employment

Q9

In the past five years, what actions has your country taken to recognize, reduce and/or redistribute unpaid care and domestic work and promote work-life and family conciliation? (please check relevant categories)

Expanded support for older persons, persons with disabilities and others needing intense forms of care

Introduced or strengthened maternity/paternity/parental leave or other types of family leave

Introduced legal changes regarding the division of marital assets or pension entitlements after divorce that acknowledge women's unpaid contribution to the family during marriage

Q10

In the past five years, what actions has your country taken to reduce the gender digital divide? (please check relevant categories)

Taken measures to support the creation and expansion of safe, affordable, accessible, relevant and inclusive public and private digital tools and services

Introduced or strengthened programmes to increase the digital literacy and skills of women and girls

Q11

Over the past five years, has your country introduced austerity/fiscal consolidation measures, such as cuts in public expenditure or public sector downsizing?

Yes

Q12

Have assessments on the impact of such austerity/fiscal consolidation measures on women and men, respectively, been conducted?

No, the impact on women/men has not been assessed.

Q13

Over the past five years, what actions has your country taken to reduce/eradicate poverty among women and girls? (please check relevant categories)

Promoted poor women's access to decent work through active labour market policies (e.g. job training, skills, employment subsidies, etc.) and targeted measures

,

Supported women's entrepreneurship, access to markets, and business development activities

,

Introduced or strengthened social protection programmes for women and girls (e.g. cash transfers for women with children, public works/employment guarantee schemes for women of working-age, pensions for older women)

,

Introduced/strengthened low-cost legal services for women living in poverty

Q14

Over the past five years, what actions has your country taken to improve access to social protection for women and girls?

Introduced or strengthened cash transfers for families with children that prioritize women as recipients (e.g. child benefits, family allowances, conditional or unconditional cash transfers)

,

Introduced or strengthened social protection for older women (e.g. expansion of social pensions, moratoriums, inflation adjustment, introduction of pension credits for caregivers)

Q15

The COVID-19 pandemic spurred significant social protection innovations. From a gender perspective, which of the following statements applies best to the COVID-19 response in your country?

The social protection response to the pandemic was significant but did not spur any gender-responsive innovations.

Q16

Over the past five years, what actions has your country taken to improve health outcomes for women and girls in your country?

Promoted women's access to health services through expansion of universal health coverage or public health services

,

Expanded specific health services for women and girls, including sexual and reproductive health services, maternal health and HIV services

,

Undertaken gender-specific public awareness/health promotion campaigns

,

Taken action to expand access to health services for marginalized groups of women and girls (see list in Part Two: Priorities, achievements, challenges, and setbacks)

Q17

Over the past five years, what actions has your country taken to improve education outcomes and skills for women and girls?

Taken measures to increase girls' access to, retention in and completion of education, technical and vocational education and training (TVET) and skills development programmes

,

Promoted safe, harassment-free and inclusive educational environments for women and girls

,

Incorporated STEM education and/or measures to increase access to digital tools and competencies for adolescents and girls with a view to close the gender digital divide

Page 6: Freedom from violence, stigma and stereotypes

Q18

Over the past five years, which forms of gender-based violence, and in which specific contexts or settings, has your country prioritized for action?

Domestic violence committed by other family or household members

,

Violence against women and girls facilitated by technology (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)

,

Child, early and forced marriages,

Female genital mutilation

Q19

Over the past five years, what actions has your country prioritized to address gender-based violence?

Introduced or strengthened violence against women laws, and their enforcement and implementation

,

Introduced, updated or expanded national action plans on ending violence against women and girls

,

Introduced or strengthened measures to increase women's access to justice (e.g. establishment of specialist courts, training for the judiciary and police, protection orders, redress and reparations, including for femicide cases)

,

Introduced or strengthened services for survivors of violence (e.g. shelters, help lines, dedicated health services, legal, justice service, counselling, housing, socioeconomic rehabilitation)

,

Introduced or strengthened strategies and interventions to prevent violence against women and girls (e.g. in the education sector, in the media, community mobilization, work with men and boys)

Q20

In the past five years, what strategies has your country used to prevent gender-based violence?

Empowering women and girls to promote their economic independence and access to resources, and promote equitable relations within households, communities and society

,

Mobilizing community/faith/traditional leaders, politicians, opinion influencers, journalists, or media influencers (such as sport athletes or celebrities) to influence positive norms

Q21

In the past five years, what actions has your country taken to prevent and respond to technology-facilitated gender-based violence (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)?

Introduced or strengthened legislation and regulatory provisions

,

Strengthen the capacity of government actors for the development of policy and legislation, and their enforcement and implementation

Q22

In the past five years, what actions has your country taken to address the portrayal of women and girls, discrimination and/or gender bias in the media, including social media?

Provided training to media professionals to encourage the creation and use of non-stereotypical, balanced and diverse images of women and girls in the media, including social media

Promoted the participation and leadership of women in the media

Q23

In the past five years, has your country taken any action specifically tailored to address violence against marginalized groups of women and girls? (please check relevant categories)

Girls, adolescents, and younger women,

Migrant women,

Refugee and internally displaced women

Page 7: Participation, accountability and gender-responsive institutions

Q24

In the past five years, what actions and measures has your country taken to promote women's participation in public life and decision-making?

Provided opportunities for capacity building and skills development, such as mentorship, training in leadership, decision-making, public speaking, self-assertion, political campaigning for women candidates, elected or appointed politicians, parliamentary caucuses, and/or gender equality advocates

Collected and analyzed data on women's political participation, including in appointed and elected positions

Other (please specify):

Adoption de mesures spéciales telles que des quotas, des sièges réservés favorisant la participation des femmes à la vie politique, en particulier au niveau de la prise de décisions

Q25

In the past five years, what actions has your country taken to increase women's access to expression and participation in decision-making in the media, including through information and communication technologies (ICT)?

Strengthened the provision of formal and technical vocational education and training (TVET) in media and ICTs, including in areas of management and leadership

Taken measures to enhance access, affordability and use of ICTs for women and girls (e.g. free wifi hubs, community technology centers)

Q26

What is the name of your country's current national machinery for gender equality and the empowerment of women?

Ministère de la Femme et de la Famille

Q27

What is the national women's machinery's current location within government? (please select one of the following options)

Other (please specify):
entité Ministériel

Q28

Does the national women's machinery have adequate financial resources and staff capacity to fulfil its mandate?

Yes

Q29

Over the past five years, which of the following statements best describes the evolution of the budget of your country's national women's machinery? (please select one of the following options)

Other (please specify):
Le budget du mécanisme national pour l'égalité des sexes et l'autonomisation des femmes a légèrement augmenté (par rapport aux dépenses publiques globales)

Q30

How many programmes is the national women's machinery directly responsible for implementing? Please provide the total number and full name of programmes, as well as links to any supporting documentation.

Total number of programmes:

tout les programmes sur l'égalité des sexes et l'autonomisation des femmes

Q31

What is the guiding vision that best describes the current national women's machinery's mandate? (please select one of the following options)

Protecting the families, women and children

Q32

Is there a national human rights institution in your country?

Yes

Q33

Does the national human rights institution have a specific mandate to focus on gender equality or discrimination based on sex/gender?

Not applicable

Q34

In the past five years, what actions has your country taken to build and sustain peace, promote peaceful and inclusive societies for sustainable development and implement the women, peace and security agenda?

Adopted and/or implemented a National Action Plan on women, peace and security

,
Used communication strategies, including social media, to increase awareness of the women, peace and security agenda

Q35

In the past five years, what actions has your country taken to increase the leadership, representation and participation of women in conflict prevention, resolution, peacebuilding, humanitarian action and crisis response, at decision-making levels in situations of armed and other conflicts, and in fragile or crisis settings?

Promoted and supported women's meaningful participation in peace processes and the implementation of peace agreements at all levels

,
Promoted equal participation of women in humanitarian and crisis response activities at all levels, particularly at the decision-making level

,
Developed, adopted and / or implemented a high impact National Action Plan on 1325

Q36

In the past five years, what actions has your country taken to enhance judicial and non-judicial accountability for violations of international humanitarian law and violations of the human rights of women and girls in situations of armed and other conflicts, and in fragile or crisis settings?

Implemented legal and policy reform to redress and prevent violations of the rights of women and girls

,
Strengthened institutional capacities, including of the justice system and transitional justice mechanisms as applicable, during conflict and crisis response

,
Taken measures to combat the production, use of and trafficking in illicit drugs

Q37

In the past five years, what actions has your country taken to eliminate discrimination against and violations of the rights of the girl child, including adolescent girls?

Taken measures to combat discriminatory social norms and practices and increased awareness of the needs and potential of girl children

,

Strengthened girls' access to quality education, skills development and training

,

Tackled disadvantages in health outcomes due to malnutrition, early childbearing (e.g. anemia) and exposure to HIV/AIDS and other sexually transmitted diseases

,

Implemented policies and programmes to eliminate violence against girls, including physical and sexual violence and harmful practices such as child, early and forced marriage and female genital mutilation

Page 9: Environmental conservation, protection and rehabilitation

Q38

In the past five years, what actions has your country taken to integrate gender perspectives and concerns into environmental policies, including biodiversity conservation, climate change adaptation and mitigation, and reduction of land degradation?

Supported women's participation and leadership in environmental and natural resource management and governance

,

Increased women's access to and control over land, water, energy, and other natural resources

,

Enhanced women's access to sustainable time- and labour-saving infrastructure (e.g. access to clean water and energy) and climate-resilient agricultural technology

Q39

In the past five years, what actions has your country taken to integrate gender perspectives into policies and programmes for disaster risk reduction and building environmental and climate resilience?

Supported women's participation and leadership, including those affected by disasters, in disaster risk reduction, climate and environmental resilience policies, programmes and projects

Page 10: Part Four: National institutions and processes

Q40

Yes

Does your country have a valid national strategy or action plan for gender equality?

<p>Q41</p> <p>Has the national gender equality strategy or action plan been costed and have sufficient resources been allocated to its achievement in the current budget?</p>	<p>Not applicable</p>
<p>Q42</p> <p>Do you track the proportion of the national budget that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?</p>	<p>No</p>
<p>Q43</p> <p>As a donor country, do you track the proportion of official development assistance (ODA) that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?</p>	<p>Not applicable</p>
<p>Q44</p> <p>Is gender equality and the empowerment of all women and girls included as a key priority in the national plan/strategy for SDG implementation?</p>	<p>There is no national plan/strategy for SDG implementation</p>
<p>Q45</p> <p>Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the Beijing Declaration and Platform for Action?</p>	<p>Yes</p>
<p>Q46</p> <p>Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the Beijing Declaration and Platform for Action?</p>	<p>Civil society organizations,</p> <p>Women's rights organizations,</p> <p>United Nations system,</p> <p>Other actors (please specify): des départements ministériels,</p>
<p>Q47</p> <p>Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the 2030 Agenda for Sustainable Development?</p>	<p>No</p>

Q48

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the 2030 Agenda for Sustainable Development?

- Civil society organizations,**
- Women's rights organizations,**
- Private sector,**
- United Nations system,**

Other actors (please specify):
autres Ministères sectoriels

Q49

For which of the following does your country have an action plan and timeline in place to follow-up on recommendations?

None of the above

Page 11: Part Five: Data and Statistics

Q50

Over the past five years, what are the top three areas in which your country has made most progress when it comes to gender statistics at the national level? (Please check a maximum of three boxes)

Promulgated laws, regulations, or statistical programme/strategy setting out the development of gender statistics

,

Re-processed existing data (e.g., censuses and surveys) to produce more disaggregated and/or new gender statistics

,

Conducted new surveys to produce national baseline information on specialized topics (e.g., time use, gender-based violence, asset ownership, poverty, disability)

Q51

Over the next five years, which are your country's top three priorities for strengthening national gender statistics, out of the following? (Please check a maximum of three boxes)

Design of laws, regulations, or statistical programme/strategy promoting the development of gender statistics

,

Conduct of new surveys to produce national baseline information on specialized topics (e.g., time use, gender-based violence, asset ownership, poverty, disability)

,

Development of a centralized web-based database and/or dashboard on gender statistics

Q52

No

Have you defined a national set of indicators for monitoring progress on the SDGs?

Q53

Respondent skipped this question

How many indicators does it include and how many of those are gender-specific?

Q54

Not applicable

Has data collection and compilation on gender-specific indicators begun?

Q55

Which of the following disaggregations is routinely provided by major surveys in your country?

Geographic location,

Income,

Sex/gender,

Age,

Education,

Marital status,

Migratory status,

Disability

Page 12: Part Six: Upload of National Report

Q56

Respondent skipped this question
