Q1

Please enter the name of the country on behalf of which you are submitting a national report:

Final complete Ethiopia**Q2**

Please enter the name and institution of the national focal point who is submitting the report:

Name	Ketema Legesse
Institution	Ministry of Women and Social Affairs

Q3

Please enter the email address of the national focal point who is submitting the report. This person might be asked to validate the submitted information:

ketish21@gmail.com

Page 3: Part 2: Priorities, achievements, challenges and setbacks

Q4

Over the past five years, which of the following have been the top five priorities for accelerating progress for women and girls in your country through laws, policies and/or programmes? (Please check a maximum of five boxes)

Eliminating violence against women and girls,
Political participation and representation,
Women's entrepreneurship and women's enterprises,
Basic services and infrastructure (water, sanitation, energy, transport etc.)
 ,
Changing discriminatory social norms and gender stereotypes

Q5

Over the past five years, have you taken specific measures to prevent discrimination and promote the rights of marginalized groups of women and girls? (please check relevant categories)

Women and girls living in remote and rural areas,
Women and girls with disabilities,
Women and girls living with HIV/AIDS,
Younger women,
Migrant women and girls,
Refugee and internally displaced women and girls,
Women and girls in humanitarian settings

Q6

Over the past five years, which of the following crises have affected the implementation of the BPfA in your country? (please check relevant categories)

COVID-19 and other pandemics,
Food and fuel crisis,
Debt crisis,
Armed conflict,
Climate crisis,
Other crises (please specify):
drought

Q7

Over the next five years, which of the following does your country consider to be the top five priorities for accelerating progress for women and girls in your country through laws, policies and programmes? (Please check a maximum of five boxes)

Eliminating violence against women and girls,
Political participation and representation,
Women's entrepreneurship and women's enterprises,
Basic services and infrastructure (water, sanitation, hygiene, energy, transport, communication, etc.)
,
Changing discriminatory social norms and gender stereotypes

Q8

Over the past five years, what actions has your country taken to advance gender equality in relation to women's role in paid work and employment? (please check relevant categories)

Strengthened / enforced laws and workplace policies and practices that prohibit discrimination in the recruitment, retention and promotion of women in the public and private sectors, and equal pay legislation

Introduced / strengthened gender-responsive job creation and active labour market policies (e.g. education and training, skills, subsidies)

Taken measures to prevent sexual harassment, including in the workplace

Strengthened land rights and tenure security,

Improved financial inclusion and access to credit, including for self-employed women

Improved access to modern technologies (incl. climate-smart technologies), infrastructure and services (incl. agricultural extension)

Supported the transition from informal to formal work, including legal and policy measures that benefit women in informal employment

Devised mechanisms for women's equal participation in economic decision-making bodies (e.g. in ministries of trade and finance, central banks, national economic commissions)

Q9

In the past five years, what actions has your country taken to recognize, reduce and/or redistribute unpaid care and domestic work and promote work-life and family conciliation? (please check relevant categories)

Expanded childcare services or made existing services more affordable

,

Expanded support for older persons, persons with disabilities and others needing intense forms of care

,

Introduced or strengthened maternity/paternity/parental leave or other types of family leave

,

Invested in time- and labour-saving infrastructure, such as public transport, electricity, water and sanitation, to reduce the burden of unpaid care and domestic work on women

,

Conducted campaigns or awareness raising activities to encourage the participation of men and boys in unpaid care and domestic work

Q10

In the past five years, what actions has your country taken to reduce the gender digital divide? (please check relevant categories)

Mainstreamed gender perspectives in national digital policies

,

Taken measures to remove the discriminatory barriers faced by women and girls to access, use and design digital tools (e.g. costs of devices and data, lack of skills, safety concerns, restrictive social norms)

,

Introduced or strengthened programmes to increase the digital literacy and skills of women and girls

Q11

Over the past five years, has your country introduced austerity/fiscal consolidation measures, such as cuts in public expenditure or public sector downsizing?

Yes

Q12

Have assessments on the impact of such austerity/fiscal consolidation measures on women and men, respectively, been conducted?

No, the impact on women/men has not been assessed.

Q13

Over the past five years, what actions has your country taken to reduce/eradicate poverty among women and girls? (please check relevant categories)

Promoted poor women's access to decent work through active labour market policies (e.g. job training, skills, employment subsidies, etc.) and targeted measures

,

Broadened access to land, housing, finance, technology and/or agricultural extension services

,

Supported women's entrepreneurship, access to markets, and business development activities

,

Introduced or strengthened social protection programmes for women and girls (e.g. cash transfers for women with children, public works/employment guarantee schemes for women of working-age, pensions for older women)

,

Introduced/strengthened low-cost legal services for women living in poverty

Q14

Over the past five years, what actions has your country taken to improve access to social protection for women and girls?

Introduced or strengthened cash transfers for families with children that prioritize women as recipients (e.g. child benefits, family allowances, conditional or unconditional cash transfers)

,

Introduced or strengthened social protection for women of working age (e.g. unemployment benefits, public works programmes, social assistance)

,

Introduced or strengthened social protection for older women (e.g. expansion of social pensions, moratoriums, inflation adjustment, introduction of pension credits for caregivers)

,

Extended social protection to women in informal employment (e.g. subsidies for participation in contributory schemes; inclusion in non-contributory schemes)

,

Improved access to social protection for other groups of marginalized women (please refer to groups listed in Part Two: Priorities, achievements, challenges, and setbacks)

,

Other (please specify):

Implementing Community Based Health Insurance Scheme

Q15

The COVID-19 pandemic spurred significant social protection innovations. From a gender perspective, which of the following statements applies best to the COVID-19 response in your country?

The social protection response to the pandemic spurred gender-responsive innovations, but measures were mainly short-term.

Q16

Over the past five years, what actions has your country taken to improve health outcomes for women and girls in your country?

Promoted women's access to health services through expansion of universal health coverage or public health services

,

Expanded specific health services for women and girls, including sexual and reproductive health services, maternal health and HIV services

,

Promoted male involvement in sexual and reproductive health, including contraceptive uptake and responsible sexual behaviour

,

Taken measures to support women's mental health, including access to specialized services and counselling

,

Developed gender-sensitive approaches to the prevention and treatment of chronic and non-communicable diseases (e.g. cardiovascular disease, cancer, chronic respiratory disease, and diabetes)

,

Undertaken gender-specific public awareness/health promotion campaigns

,

Provided gender-responsiveness training for health service providers

,

Taken action to expand access to health services for marginalized groups of women and girls (see list in Part Two: Priorities, achievements, challenges, and setbacks)

Q17

Over the past five years, what actions has your country taken to improve education outcomes and skills for women and girls?

Taken measures to increase girls' access to, retention in and completion of education, technical and vocational education and training (TVET) and skills development programmes

,

Strengthened educational curricula to increase gender-responsiveness and eliminate bias, at all levels of education

,

Provided gender equality and human rights training for teachers and other education professionals

,

Promoted safe, harassment-free and inclusive educational environments for women and girls

,

Ensured access to safe water and sanitation services and facilitated menstrual hygiene management especially in schools and other education/training settings

,

Other (please specify):

Expansion of girls only hostel schools in remote areas to promote girls' secondary education and provision of financial subsidies

Q18

Over the past five years, which forms of gender-based violence, and in which specific contexts or settings, has your country prioritized for action?

Sexual harassment and violence in public places, educational settings and workplaces

,

Violence against women and girls facilitated by technology (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)

,

Gender-based violence against women in politics, including women's human rights defenders

,

Gender-based violence in the media,

Gender-based violence in conflict-affected settings,

Child, early and forced marriages,

Female genital mutilation,

Trafficking in women and girls,

Other forms of violence or harmful practices, (please specify):

Domestic violence excluding marital rape

Q19

Over the past five years, what actions has your country prioritized to address gender-based violence?

Introduced or strengthened violence against women laws, and their enforcement and implementation

,

Introduced, updated or expanded national action plans on ending violence against women and girls

,

Introduced or strengthened measures to increase women's access to justice (e.g. establishment of specialist courts, training for the judiciary and police, protection orders, redress and reparations, including for femicide cases)

,

Introduced or strengthened services for survivors of violence (e.g. shelters, help lines, dedicated health services, legal, justice service, counselling, housing, socioeconomic rehabilitation)

,

Introduced or strengthened strategies and interventions to prevent violence against women and girls (e.g. in the education sector, in the media, community mobilization, work with men and boys)

,

Monitoring and evaluation of impact, including evidence generation and data collection

,

Introduced or strengthened measures for improving the understanding of the extent, causes and consequences of violence against women among those responsible for implementing measures on ending violence against women and girls, including through the collection and use of data from different sources

,

Other (please specify):

Draft Policy on Gender Equality and Women's Empowerment with strong focus on prevention and response to GBV and rehabilitation of survivors

Q20

In the past five years, what strategies has your country used to prevent gender-based violence?

Working with women, men, and couples to improve their skills in interpersonal communication, conflict management, and shared decision-making

,

Empowering women and girls to promote their economic independence and access to resources, and promote equitable relations within households, communities and society

,

Alleviating poverty through interventions targeted at women or the household

,

Create safe environments including schools, workplaces, and public spaces

,

Promoting positive gender-equitable attitudes, beliefs, values and norms, especially among men and boys

,

Mobilizing community/faith/traditional leaders, politicians, opinion influencers, journalists, or media influencers (such as sport athletes or celebrities) to influence positive norms

,

Raising public awareness to change attitudes and behaviours

Q21

In the past five years, what actions has your country taken to prevent and respond to technology-facilitated gender-based violence (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)?

Introduced or strengthened legislation and regulatory provisions

,

Strengthen the capacity of government actors for the development of policy and legislation, and their enforcement and implementation

Q22

In the past five years, what actions has your country taken to address the portrayal of women and girls, discrimination and/or gender bias in the media, including social media?

Enacted, strengthened, and enforced legal reforms to combat discrimination and/or gender bias in the media, including social media

Provided training to media professionals to encourage the creation and use of non-stereotypical, balanced and diverse images of women and girls in the media, including social media

Promoted the participation and leadership of women in the media

Q23

In the past five years, has your country taken any action specifically tailored to address violence against marginalized groups of women and girls? (please check relevant categories)

Women with disabilities,

Women living with HIV/AIDS,

Girls, adolescents, and younger women,

Refugee and internally displaced women,

Women in humanitarian settings

Q24

In the past five years, what actions and measures has your country taken to promote women's participation in public life and decision-making?

Introduced temporary special measures, such as quotas, reserved seats, benchmarks and targets that promote women's participation in politics, especially at decision-making level

Reinforced the adequate implementation of existing temporary special measures by boosting compliance mechanisms, including through the imposition of sanctions on political parties for non-compliance

Provided opportunities for capacity building and skills development, such as mentorship, training in leadership, decision-making, public speaking, self-assertion, political campaigning for women candidates, elected or appointed politicians, parliamentary caucuses, and/or gender equality advocates

Taken measures to prevent, investigate, prosecute and punish violence against women in politics and public life (both online and offline)

Encouraged the equal political participation of all women, including young women and underrepresented groups like indigenous women, through capacity building, skills development, sensitization and mentorship programmes

Collected and analyzed data on women's political participation, including in appointed and elected positions

Q25

In the past five years, what actions has your country taken to increase women's access to expression and participation in decision-making in the media, including through information and communication technologies (ICT)?

Strengthened the provision of formal and technical vocational education and training (TVET) in media and ICTs, including in areas of management and leadership

Provided support to women's media networks and organizations

Q26

What is the name of your country's current national machinery for gender equality and the empowerment of women?

The Ministry of Women and Social Affairs; bureaus of women and social affairs at the regional, zonal and Woreda level and units responsible for mainstreaming gender and social inclusion issues at the sector ministries and bureaus

Q27 **Ministerial level or equivalent whose head has full cabinet participation**
 What is the national women's machinery's current location within government? (please select one of the following options)

Q28 **No**
 Does the national women's machinery have adequate financial resources and staff capacity to fulfil its mandate?

Q29 **The budget of the national women's machinery has declined (as a proportion of overall government spending)**
 Over the past five years, which of the following statements best describes the evolution of the budget of your country's national women's machinery? (please select one of the following options)

Q30
 How many programmes is the national women's machinery directly responsible for implementing? Please provide the total number and full name of programmes, as well as links to any supporting documentation.

Total number of programmes: **2**
 Full name of programmes: **Mainstreaming, Implementation and Monitoring and Accountability Programme and Women Empowerment and Rights Protection Programme**

Q31 Other (please specify):
 What is the guiding vision that best describes the current national women's machinery's mandate? (please select one of the following options)
 Ensuring gender equality and the participation, representation and benefit of women, children, youth, persons with disabilities, the elderly and other vulnerable groups

Q32 **Yes**
 Is there a national human rights institution in your country?

Q33 **Yes**
 Does the national human rights institution have a specific mandate to focus on gender equality or discrimination based on sex/gender?

Q34

In the past five years, what actions has your country taken to build and sustain peace, promote peaceful and inclusive societies for sustainable development and implement the women, peace and security agenda?

Integrated women, peace and security commitments into key national and inter-ministerial policy, planning and monitoring frameworks

,

Used communication strategies, including social media, to increase awareness of the women, peace and security agenda

,

Supported inclusive and gender-sensitive conflict analysis, early warning and prevention mechanisms

Q35

In the past five years, what actions has your country taken to increase the leadership, representation and participation of women in conflict prevention, resolution, peacebuilding, humanitarian action and crisis response, at decision-making levels in situations of armed and other conflicts, and in fragile or crisis settings?

Promoted and supported women's meaningful participation in peace processes and the implementation of peace agreements at all levels

,

Adopted gender-responsive approaches to humanitarian action and crisis response

,

Other (please specify):

Women's participation in the National Dialogue and the process of development of the Transitional justice policy endorsed in 2024 has been significant

Q36

In the past five years, what actions has your country taken to enhance judicial and non-judicial accountability for violations of international humanitarian law and violations of the human rights of women and girls in situations of armed and other conflicts, and in fragile or crisis settings?

Implemented legal and policy reform to redress and prevent violations of the rights of women and girls

Strengthened institutional capacities, including of the justice system and transitional justice mechanisms as applicable, during conflict and crisis response

Strengthened capacity of security sector institutions on human rights and prevention of sexual and gender-based violence and sexual exploitation and abuse

Increased access of conflict-affected, refugee or displaced women to violence prevention and protection services

Taken measures to combat trafficking in women and children

Other (please specify):

Ethiopia has endorsed a Transitional Justice Policy to foster lasting peace, accountability, and healing

Q37

In the past five years, what actions has your country taken to eliminate discrimination against and violations of the rights of the girl child, including adolescent girls?

Taken measures to combat discriminatory social norms and practices and increased awareness of the needs and potential of girl children

,

Strengthened girls' access to quality education, skills development and training

,

Tackled disadvantages in health outcomes due to malnutrition, early childbearing (e.g. anemia) and exposure to HIV/AIDS and other sexually transmitted diseases

,

Implemented policies and programmes to eliminate violence against girls, including physical and sexual violence and harmful practices such as child, early and forced marriage and female genital mutilation

,

Implemented policies and programmes to eradicate child labour and to recognize, reduce and redistribute unpaid care and domestic work undertaken by girl children

,

Promoted girls' awareness of and participation in social, economic and political life

Page 9: Environmental conservation, protection and rehabilitation

Q38

In the past five years, what actions has your country taken to integrate gender perspectives and concerns into environmental policies, including biodiversity conservation, climate change adaptation and mitigation, and reduction of land degradation?

Supported women's participation and leadership in environmental and natural resource management and governance

,

Strengthened evidence and/or raised awareness about gender-specific environmental and health hazards (e.g. consumer products, technologies, industrial pollution)

,

Increased women's access to and control over land, water, energy, and other natural resources

,

Enhanced women's access to sustainable time- and labour-saving infrastructure (e.g. access to clean water and energy) and climate-resilient agricultural technology

Q39

In the past five years, what actions has your country taken to integrate gender perspectives into policies and programmes for disaster risk reduction and building environmental and climate resilience?

Supported women’s participation and leadership, including those affected by disasters, in disaster risk reduction, climate and environmental resilience policies, programmes and projects

Introduced or strengthened and implemented gender-responsive laws and policies related to disaster risk reduction and building climate and environmental resilience (e.g. disaster laws addressing vulnerability of women in disaster)

Page 10: Part Four: National institutions and processes

Q40

Does your country have a valid national strategy or action plan for gender equality?

Yes

Q41

Has the national gender equality strategy or action plan been costed and have sufficient resources been allocated to its achievement in the current budget?

No

Q42

Do you track the proportion of the national budget that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

No

Q43

As a donor country, do you track the proportion of official development assistance (ODA) that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

Not applicable

Q44

Is gender equality and the empowerment of all women and girls included as a key priority in the national plan/strategy for SDG implementation?

Yes

Q45

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the Beijing Declaration and Platform for Action?

Yes

Q46

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the Beijing Declaration and Platform for Action?

Civil society organizations,
Women's rights organizations,
Academia and think tanks,
Faith-based organizations,
Parliaments/parliamentary committees,
United Nations system

Q47

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the 2030 Agenda for Sustainable Development?

Yes

Q48

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the 2030 Agenda for Sustainable Development?

Civil society organizations,
Women's rights organizations,
Academia and think tanks,
Faith-based organizations,
Parliaments/parliamentary committees,
United Nations system

Q49

For which of the following does your country have an action plan and timeline in place to follow-up on recommendations?

Committee on the Elimination of Discrimination against Women
,
Universal Periodic Review,
Other United Nations Human Rights mechanisms that address gender inequality/discrimination against women
,
Other (please specify):
Regional instruments including the Maputo Protocol and the Solemn Declaration on Gender Equality in Africa

Q50

Over the past five years, what are the top three areas in which your country has made most progress when it comes to gender statistics at the national level? (Please check a maximum of three boxes)

- Used more gender-sensitive data in the formulation of policy and implementation of programmes and projects
- ,
- Conducted new surveys to produce national baseline information on specialized topics (e.g., time use, gender-based violence, asset ownership, poverty, disability)
- ,
- Engaged in capacity building to strengthen the use of gender statistics (e.g., trainings, statistical appreciation seminars)

Q51

Over the next five years, which are your country's top three priorities for strengthening national gender statistics, out of the following? (Please check a maximum of three boxes)

- Conduct of new surveys to produce national baseline information on specialized topics (e.g., time use, gender-based violence, asset ownership, poverty, disability)
- ,
- Greater utilization and/or improvement of administrative-based or alternative data sources to address gender data gaps
- ,
- Development of a centralized web-based database and/or dashboard on gender statistics

Q52

Have you defined a national set of indicators for monitoring progress on the SDGs?

Yes

Q53

How many indicators does it include and how many of those are gender-specific?

Number of indicators	53
Number of gender-specific indicators	19

Q54

Has data collection and compilation on gender-specific indicators begun?

Yes

Q55

Which of the following disaggregations is routinely provided by major surveys in your country?

Geographic location,

Income,

Sex/gender,

Age,

Education,

Marital status,

Migratory status,

Disability,

Religion

Page 12: Part Six: Upload of National Report

Q56
