Page 2: Part 1: Country information

**Q1**

Please enter the name of the country on behalf of which you are submitting a national report:

Республика Казахстан

**Q2**

Please enter the name and institution of the national focal point who is submitting the report:

Name	Жулдызай Искакова
Institution	Национальная комиссия по делам женщин и семейно-демографической политике при Президенте РК

---

**Q3**

Please enter the email address of the national focal point who is submitting the report. This person might be asked to validate the submitted information:

Zhuldyzay89@gmail.com

Page 3: Part 2: Priorities, achievements, challenges and setbacks

**Q4**

Over the past five years, which of the following have been the top five priorities for accelerating progress for women and girls in your country through laws, policies and/or programmes? (Please check a maximum of five boxes)

**Equality and non-discrimination under the law and access to justice**

**Eliminating violence against women and girls,**

**Political participation and representation,**

**Digital and financial inclusion for women,**

**Changing discriminatory social norms and gender stereotypes**

---

**Q5**

Over the past five years, have you taken specific measures to prevent discrimination and promote the rights of marginalized groups of women and girls? (please check relevant categories)

**Women and girls living in remote and rural areas,**  
**Women and girls living with HIV/AIDS,**  
**Migrant women and girls,**  
**Refugee and internally displaced women and girls**

---

**Q6**

Over the past five years, which of the following crises have affected the implementation of the BPfA in your country? (please check relevant categories)

**COVID-19 and other pandemics**

---

**Q7**

Over the next five years, which of the following does your country consider to be the top five priorities for accelerating progress for women and girls in your country through laws, policies and programmes? (Please check a maximum of five boxes)

**Equality and non-discrimination under the law and access to justice**  
,  
**Eliminating violence against women and girls,**  
**Political participation and representation,**  
**Right to work and rights at work (e.g. gender pay gap, occupational segregation, career progression, job creation)**  
,  
**Unpaid care and domestic work / work-family conciliation (e.g. paid maternity, paternity or parental leave, care services)**

---

Page 4: Part Three: Progress across the 12 critical areas of concern

**Q8**

Over the past five years, what actions has your country taken to advance gender equality in relation to women's role in paid work and employment? (please check relevant categories)

**Strengthened / enforced laws and workplace policies and practices that prohibit discrimination in the recruitment, retention and promotion of women in the public and private sectors, and equal pay legislation**  
,  
**Introduced / strengthened gender-responsive job creation and active labour market policies (e.g. education and training, skills, subsidies)**  
,  
**Improved financial inclusion and access to credit, including for self-employed women**

---

**Q9**

In the past five years, what actions has your country taken to recognize, reduce and/or redistribute unpaid care and domestic work and promote work-life and family conciliation? (please check relevant categories)

Expanded childcare services or made existing services more affordable

,

Expanded support for older persons, persons with disabilities and others needing intense forms of care

,

Introduced or strengthened maternity/paternity/parental leave or other types of family leave

**Q10**

In the past five years, what actions has your country taken to reduce the gender digital divide? (please check relevant categories)

Mainstreamed gender perspectives in national digital policies

,

Introduced or strengthened programmes to provide universal meaningful connectivity for women and girls, especially for underserved areas

,

Taken measures to remove the discriminatory barriers faced by women and girls to access, use and design digital tools (e.g. costs of devices and data, lack of skills, safety concerns, restrictive social norms)

,

Taken measures to support the creation and expansion of safe, affordable, accessible, relevant and inclusive public and private digital tools and services

,

Introduced or strengthened programmes to increase the digital literacy and skills of women and girls

,

Taken measures to promote gender-responsive STEM education

**Q11**

Over the past five years, has your country introduced austerity/fiscal consolidation measures, such as cuts in public expenditure or public sector downsizing?

No

**Q12**

Have assessments on the impact of such austerity/fiscal consolidation measures on women and men, respectively, been conducted?

No, the impact on women/men has not been assessed.

**Q13**

Over the past five years, what actions has your country taken to reduce/eradicate poverty among women and girls? (please check relevant categories)

Promoted poor women's access to decent work through active labour market policies (e.g. job training, skills, employment subsidies, etc.) and targeted measures

Supported women's entrepreneurship, access to markets, and business development activities

Introduced or strengthened social protection programmes for women and girls (e.g. cash transfers for women with children, public works/employment guarantee schemes for women of working-age, pensions for older women)

**Q14**

Over the past five years, what actions has your country taken to improve access to social protection for women and girls?

Introduced or strengthened cash transfers for families with children that prioritize women as recipients (e.g. child benefits, family allowances, conditional or unconditional cash transfers)

Introduced or strengthened social protection for women of working age (e.g. unemployment benefits, public works programmes, social assistance)

Extended social protection to women in informal employment (e.g. subsidies for participation in contributory schemes; inclusion in non-contributory schemes)

**Q15**

The COVID-19 pandemic spurred significant social protection innovations. From a gender perspective, which of the following statements applies best to the COVID-19 response in your country?

The social protection response to the pandemic spurred gender-responsive innovations, but measures were mainly short-term.

**Q16**

Over the past five years, what actions has your country taken to improve health outcomes for women and girls in your country?

**Expanded specific health services for women and girls, including sexual and reproductive health services, maternal health and HIV services**

,

**Taken measures to support women's mental health, including access to specialized services and counselling**

,

**Strengthened comprehensive sexuality education in schools or through community programmes**

**Q17**

Over the past five years, what actions has your country taken to improve education outcomes and skills for women and girls?

**Taken measures to increase girls' access to, retention in and completion of education, technical and vocational education and training (TVET) and skills development programmes**

,

**Strengthened educational curricula to increase gender-responsiveness and eliminate bias, at all levels of education**

,

**Provided gender equality and human rights training for teachers and other education professionals**

,

**Promoted safe, harassment-free and inclusive educational environments for women and girls**

,

**Increased access to skills and training in new and emerging fields, especially STEM (science, technology, engineering and math) and digital fluency and literacy**

,

**Strengthened measures to prevent adolescent pregnancies and to enable adolescent girls to continue their education in the case of pregnancy and/or motherhood**

,

**Incorporated STEM education and/or measures to increase access to digital tools and competencies for adolescents and girls with a view to close the gender digital divide**

**Q18**

Over the past five years, which forms of gender-based violence, and in which specific contexts or settings, has your country prioritized for action?

**Domestic violence committed by other family or household members**

,

**Violence against women and girls facilitated by technology (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)**

,

**Trafficking in women and girls**

**Q19**

Over the past five years, what actions has your country prioritized to address gender-based violence?

**Introduced or strengthened violence against women laws, and their enforcement and implementation**

,

**Introduced, updated or expanded national action plans on ending violence against women and girls**

,

**Introduced or strengthened measures to increase women's access to justice (e.g. establishment of specialist courts, training for the judiciary and police, protection orders, redress and reparations, including for femicide cases)**

,

**Introduced or strengthened services for survivors of violence (e.g. shelters, help lines, dedicated health services, legal, justice service, counselling, housing, socioeconomic rehabilitation)**

,

**Introduced or strengthened strategies and interventions to prevent violence against women and girls (e.g. in the education sector, in the media, community mobilization, work with men and boys)**

,

**Monitoring and evaluation of impact, including evidence generation and data collection**

,

**Introduced or strengthened measures for improving the understanding of the extent, causes and consequences of violence against women among those responsible for implementing measures on ending violence against women and girls, including through the collection and use of data from different sources**

**Q20**

In the past five years, what strategies has your country used to prevent gender-based violence?

**Empowering women and girls to promote their economic independence and access to resources, and promote equitable relations within households, communities and society**

,

**Alleviating poverty through interventions targeted at women or the household**

,

**Create safe environments including schools, workplaces, and public spaces**

,

**Promoting non-violent family relationships and positive parenting practices**

,

**Raising public awareness to change attitudes and behaviours**

---

**Q21**

In the past five years, what actions has your country taken to prevent and respond to technology-facilitated gender-based violence (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)?

**Introduced or strengthened legislation and regulatory provisions**

,

**Collected data to better understand the magnitude of technology-facilitated violence, drivers and consequences**

,

**Implemented awareness raising initiatives targeting the general public and education settings to sensitize young people, caregivers and educators to ethical and responsible online behaviour**

,

**Worked with technology providers to introduce or strengthen human rights-based design, development and deployment approaches to address technology-facilitated gender-based violence**

,

**Strengthen the capacity of government actors for the development of policy and legislation, and their enforcement and implementation**

**Q22**

In the past five years, what actions has your country taken to address the portrayal of women and girls, discrimination and/or gender bias in the media, including social media?

**Enacted, strengthened, and enforced legal reforms to combat discrimination and/or gender bias in the media, including social media**

,

**Supported the media industry to develop voluntary codes of conduct**

,

**Provided training to media professionals to encourage the creation and use of non-stereotypical, balanced and diverse images of women and girls in the media, including social media**

,

**Promoted the participation and leadership of women in the media**

---

**Q23**

In the past five years, has your country taken any action specifically tailored to address violence against marginalized groups of women and girls? (please check relevant categories)

**Women living in remote and rural areas,**

**Women with disabilities,**

**Women living with HIV/AIDS,**

**Migrant women,**

**Refugee and internally displaced women**

**Q24**

In the past five years, what actions and measures has your country taken to promote women's participation in public life and decision-making?

**Introduced temporary special measures, such as quotas, reserved seats, benchmarks and targets that promote women's participation in politics, especially at decision-making level**

**Introduced or increased targets and benchmarks of legislative temporary special measures, such as quotas or reserved seats, to promote gender balance or gender parity in legislatures (aiming for 40 per cent or more of seats being occupied by women)**

**Encouraged the equal political participation of all women, including young women and underrepresented groups like indigenous women, through capacity building, skills development, sensitization and mentorship programmes**

**Collected and analyzed data on women's political participation, including in appointed and elected positions**

**Q25**

In the past five years, what actions has your country taken to increase women's access to expression and participation in decision-making in the media, including through information and communication technologies (ICT)?

**Strengthened the provision of formal and technical vocational education and training (TVET) in media and ICTs, including in areas of management and leadership**

**Taken measures to enhance access, affordability and use of ICTs for women and girls (e.g. free wifi hubs, community technology centers)**

**Introduced regulations to advance equal pay, retention and career advancement of women within the media and ICT field**

**Q26**

What is the name of your country's current national machinery for gender equality and the empowerment of women?

**Respondent skipped this question**

**Q27**

What is the national women's machinery's current location within government? (please select one of the following options)

**Ministerial level or equivalent whose head has full cabinet participation**

**Q28**

Yes

Does the national women's machinery have adequate financial resources and staff capacity to fulfil its mandate?

---

**Q29**

**The budget of the national women's machinery has increased (as a proportion of overall government spending)**

Over the past five years, which of the following statements best describes the evolution of the budget of your country's national women's machinery? (please select one of the following options)

---

**Q30**

How many programmes is the national women's machinery directly responsible for implementing? Please provide the total number and full name of programmes, as well as links to any supporting documentation.

Total number of programmes:

1

Full name of programmes:

**Концепция семейной и гендерной политики в Республике Казахстан до 2030 года**

Link(s) to supporting documentation:

<https://adilet.zan.kz/rus/docs/U1600000384>

---

**Q31****Protecting the families, women and children**

What is the guiding vision that best describes the current national women's machinery's mandate? (please select one of the following options)

---

**Q32**

Yes

Is there a national human rights institution in your country?

---

**Q33**

Yes

Does the national human rights institution have a specific mandate to focus on gender equality or discrimination based on sex/gender?

---

**Q34**

In the past five years, what actions has your country taken to build and sustain peace, promote peaceful and inclusive societies for sustainable development and implement the women, peace and security agenda?

**Adopted and/or implemented a National Action Plan on women, peace and security**

,

**Integrated women, peace and security commitments into key national and inter-ministerial policy, planning and monitoring frameworks**

,

**Used communication strategies, including social media, to increase awareness of the women, peace and security agenda**

,

**Supported inclusive and gender-sensitive conflict analysis, early warning and prevention mechanisms**

**Q35**

In the past five years, what actions has your country taken to increase the leadership, representation and participation of women in conflict prevention, resolution, peacebuilding, humanitarian action and crisis response, at decision-making levels in situations of armed and other conflicts, and in fragile or crisis settings?

**Adopted gender-responsive approaches to the prevention and resolution of armed or other conflict**

,

**Protected civil society spaces and women's human rights defenders**

,

**Developed, adopted and / or implemented a high impact National Action Plan on 1325**

**Q36**

In the past five years, what actions has your country taken to enhance judicial and non-judicial accountability for violations of international humanitarian law and violations of the human rights of women and girls in situations of armed and other conflicts, and in fragile or crisis settings?

**Implemented legal and policy reform to redress and prevent violations of the rights of women and girls**

,

**Strengthened capacity of security sector institutions on human rights and prevention of sexual and gender-based violence and sexual exploitation and abuse**

,

**Increased access of conflict-affected, refugee or displaced women to violence prevention and protection services**

,

**Taken measures to combat the production, use of and trafficking in illicit drugs**

**Q37**

In the past five years, what actions has your country taken to eliminate discrimination against and violations of the rights of the girl child, including adolescent girls?

**Taken measures to combat discriminatory social norms and practices and increased awareness of the needs and potential of girl children**

,

**Strengthened girls' access to quality education, skills development and training**

,

**Implemented policies and programmes to eliminate violence against girls, including physical and sexual violence and harmful practices such as child, early and forced marriage and female genital mutilation**

,

**Incorporated STEM education / closure of gender digital divide in access to digital tools and competencies for girls**

---

Page 9: Environmental conservation, protection and rehabilitation

**Q38**

In the past five years, what actions has your country taken to integrate gender perspectives and concerns into environmental policies, including biodiversity conservation, climate change adaptation and mitigation, and reduction of land degradation?

**Increased women's access to and control over land, water, energy, and other natural resources**

,

**Promoted the education of women and girls in science, engineering, technology and other disciplines relating to the natural environment**

,

**Taken steps to ensure that women benefit equally from decent jobs in the green economy**

**Q39**

In the past five years, what actions has your country taken to integrate gender perspectives into policies and programmes for disaster risk reduction and building environmental and climate resilience?

**Strengthened the evidence base and raised awareness about the disproportionate vulnerability of women and girls to the impact of climate change, environmental degradation and disasters**

,

**Promoted access of women in situations of disaster to services such as relief payments, disaster insurance and compensation**

---

Page 10: Part Four: National institutions and processes

**Q40**

**Yes**

Does your country have a valid national strategy or action plan for gender equality?

**Q41**

**Yes**

Has the national gender equality strategy or action plan been costed and have sufficient resources been allocated to its achievement in the current budget?

---

**Q42**

**No**

Do you track the proportion of the national budget that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

---

**Q43**

**No**

As a donor country, do you track the proportion of official development assistance (ODA) that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

---

**Q44**

**Yes**

Is gender equality and the empowerment of all women and girls included as a key priority in the national plan/strategy for SDG implementation?

---

**Q45**

**Yes**

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the Beijing Declaration and Platform for Action?

---

**Q46**

**Civil society organizations,  
Women's rights organizations,  
Academia and think tanks,  
Parliaments/parliamentary committees,  
Private sector,  
United Nations system**

---

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the Beijing Declaration and Platform for Action?

**Q47**

**Yes**

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the 2030 Agenda for Sustainable Development?

---

**Q48**

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the 2030 Agenda for Sustainable Development?

- Civil society organizations,
- Women's rights organizations,
- Academia and think tanks,
- Parliaments/parliamentary committees,
- Private sector,
- United Nations system

**Q49**

For which of the following does your country have an action plan and timeline in place to follow-up on recommendations?

- Universal Periodic Review,
- Other United Nations Human Rights mechanisms that address gender inequality/discrimination against women

Page 11: Part Five: Data and Statistics

**Q50**

Over the past five years, what are the top three areas in which your country has made most progress when it comes to gender statistics at the national level? (Please check a maximum of three boxes)

- Promulgated laws, regulations, or statistical programme/strategy setting out the development of gender statistics
- ,
- Established an inter-agency coordination mechanism on gender statistics (e.g., technical working group, inter-agency committee)
- ,
- Developed a centralized web-based database and/or dashboard on gender statistics

**Q51**

Over the next five years, which are your country's top three priorities for strengthening national gender statistics, out of the following? (Please check a maximum of three boxes)

- Greater utilization and/or improvement of administrative-based or alternative data sources to address gender data gaps
- ,
- Production of knowledge products on gender statistics (e.g., user-friendly reports, policy briefs, research papers)
- ,
- Development of a centralized web-based database and/or dashboard on gender statistics

**Q52**

Have you defined a national set of indicators for monitoring progress on the SDGs?

Yes

**Q53**

How many indicators does it include and how many of those are gender-specific?

Number of indicators	<b>262</b>
Number of gender-specific indicators	<b>169</b>

**Q54**

Has data collection and compilation on gender-specific indicators begun?

**Yes**

**Q55**

Which of the following disaggregations is routinely provided by major surveys in your country?

**Geographic location,**  
**Sex/gender,**  
**Age,**  
**Education,**  
**Marital status,**  
**Race/ethnicity**

Page 12: Part Six: Upload of National Report

**Q56**

Please upload your national report and any supporting documentation here:
