Page 3: Part 2: Priorities, achievements, challenges and setbacks

**Q4**

Over the past five years, which of the following have been the top five priorities for accelerating progress for women and girls in your country through laws, policies and/or programmes? (Please check a maximum of five boxes)

**Equality and non-discrimination under the law and access to justice**

,

**Eliminating violence against women and girls,**

**Access to health care, including sexual and reproductive health and reproductive rights**

,

**Right to work and rights at work (e.g. gender pay gap, occupational segregation, career progression, job creation)**

,

**Unpaid care and domestic work / work-family conciliation (e.g. paid maternity, paternity or parental leave, care services)**

**Q5**

Over the past five years, have you taken specific measures to prevent discrimination and promote the rights of marginalized groups of women and girls? (please check relevant categories)

**Indigenous women and girls,**

**Women and girls marginalized on account of race, ethnicity and/or caste**

,

**Religious minority women and girls,**

**People with diverse sexual orientations, gender identities or expressions, or sex characteristics**

**Q6**

Over the past five years, which of the following crises have affected the implementation of the BPfA in your country? (please check relevant categories)

**None of the above**

**Q7**

Over the next five years, which of the following does your country consider to be the top five priorities for accelerating progress for women and girls in your country through laws, policies and programmes? (Please check a maximum of five boxes)

**Eliminating violence against women and girls,**

**Access to affordable quality health care, including sexual and reproductive health and reproductive rights**

,

**Right to work and rights at work (e.g. gender pay gap, occupational segregation, career progression, job creation)**

,

**Unpaid care and domestic work / work-family conciliation (e.g. paid maternity, paternity or parental leave, care services)**

,

**Changing discriminatory social norms and gender stereotypes**

---

Page 4: Part Three: Progress across the 12 critical areas of concern

**Q8**

Over the past five years, what actions has your country taken to advance gender equality in relation to women's role in paid work and employment? (please check relevant categories)

**Strengthened / enforced laws and workplace policies and practices that prohibit discrimination in the recruitment, retention and promotion of women in the public and private sectors, and equal pay legislation**

,

**Introduced / strengthened gender-responsive job creation and active labour market policies (e.g. education and training, skills, subsidies)**

,

**Taken measures to prevent sexual harassment, including in the workplace**

**Q9**

In the past five years, what actions has your country taken to recognize, reduce and/or redistribute unpaid care and domestic work and promote work-life and family conciliation? (please check relevant categories)

**Included unpaid care and domestic work in national statistics and accounting (e.g. time-use surveys, valuation exercises, satellite accounts)**

,

**Expanded childcare services or made existing services more affordable**

,

**Expanded support for older persons, persons with disabilities and others needing intense forms of care**

,

**Introduced or strengthened maternity/paternity/parental leave or other types of family leave**

,

**Promoted decent work for paid care workers, including migrant workers**

**Q10**

In the past five years, what actions has your country taken to reduce the gender digital divide? (please check relevant categories)

**Introduced or strengthened programmes to provide universal meaningful connectivity for women and girls, especially for underserved areas**

,

**Taken measures to promote gender-responsive STEM education**

,

**Applied gender-responsive and human rights-based standards for data collection, use, sharing, archiving and deletion**

**Q11**

Over the past five years, has your country introduced austerity/fiscal consolidation measures, such as cuts in public expenditure or public sector downsizing?

**No**

**Q12**

Have assessments on the impact of such austerity/fiscal consolidation measures on women and men, respectively, been conducted?

**Not applicable**

**Q13**

Over the past five years, what actions has your country taken to reduce/eradicate poverty among women and girls? (please check relevant categories)

**Promoted poor women's access to decent work through active labour market policies (e.g. job training, skills, employment subsidies, etc.) and targeted measures**

---

**Q14**

Over the past five years, what actions has your country taken to improve access to social protection for women and girls?

**Introduced or strengthened cash transfers for families with children that prioritize women as recipients (e.g. child benefits, family allowances, conditional or unconditional cash transfers)**

---

**Q15**

The COVID-19 pandemic spurred significant social protection innovations. From a gender perspective, which of the following statements applies best to the COVID-19 response in your country?

**The social protection response to the pandemic was significant but did not spur any gender-responsive innovations.**

---

**Q16**

Over the past five years, what actions has your country taken to improve health outcomes for women and girls in your country?

**Promoted women's access to health services through expansion of universal health coverage or public health services**

**Expanded specific health services for women and girls, including sexual and reproductive health services, maternal health and HIV services**

**Promoted male involvement in sexual and reproductive health, including contraceptive uptake and responsible sexual behaviour**

**Taken measures to support women's mental health, including access to specialized services and counselling**

Other (please specify):

Public health report to Parliament (white paper) no. 15 (2022-2023) that includes gendered patterns of health and structural measures.

---

**Q17**

Over the past five years, what actions has your country taken to improve education outcomes and skills for women and girls?

**Strengthened educational curricula to increase gender-responsiveness and eliminate bias, at all levels of education**

**Increased access to skills and training in new and emerging fields, especially STEM (science, technology, engineering and math) and digital fluency and literacy**

---

Page 6: Freedom from violence, stigma and stereotypes

**Q18**

Over the past five years, which forms of gender-based violence, and in which specific contexts or settings, has your country prioritized for action?

**Intimate partner violence, including sexual violence and marital rape**

**Domestic violence committed by other family or household members**

**Sexual harassment and violence in public places, educational settings and workplaces**

**Violence against women and girls facilitated by technology (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)**

**Femicide/Feminicide/gender-related killings of women and girls**

**Child, early and forced marriages,**

**Female genital mutilation,**

**Trafficking in women and girls**

---

**Q19**

Over the past five years, what actions has your country prioritized to address gender-based violence?

- Introduced or strengthened violence against women laws, and their enforcement and implementation
- ,
- Introduced, updated or expanded national action plans on ending violence against women and girls
- ,
- Introduced or strengthened services for survivors of violence (e.g. shelters, help lines, dedicated health services, legal, justice service, counselling, housing, socioeconomic rehabilitation)
- ,
- Monitoring and evaluation of impact, including evidence generation and data collection
- ,
- Introduced or strengthened measures for improving the understanding of the extent, causes and consequences of violence against women among those responsible for implementing measures on ending violence against women and girls, including through the collection and use of data from different sources

**Q20**

In the past five years, what strategies has your country used to prevent gender-based violence?

- Empowering women and girls to promote their economic independence and access to resources, and promote equitable relations within households, communities and society
- ,
- Create safe environments including schools, workplaces, and public spaces
- ,
- Promoting non-violent family relationships and positive parenting practices
- ,
- Promoting positive gender-equitable attitudes, beliefs, values and norms, especially among men and boys
- ,
- Promoting gender-egalitarian values in primary and secondary education, including through comprehensive sexuality education

**Q21**

In the past five years, what actions has your country taken to prevent and respond to technology-facilitated gender-based violence (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)?

**Introduced or strengthened legislation and regulatory provisions**

,

**Collected data to better understand the magnitude of technology-facilitated violence, drivers and consequences**

,

**Worked with technology providers to introduce or strengthen human rights-based design, development and deployment approaches to address technology-facilitated gender-based violence**

,

**Strengthen the capacity of government actors for the development of policy and legislation, and their enforcement and implementation**

---

**Q22**

In the past five years, what actions has your country taken to address the portrayal of women and girls, discrimination and/or gender bias in the media, including social media?

**Established or strengthened consumer protection services to receive and review complaints about media content or gender-based discrimination/bias in the media**

---

**Q23**

In the past five years, has your country taken any action specifically tailored to address violence against marginalized groups of women and girls? (please check relevant categories)

**Indigenous women,  
Women with disabilities,  
Refugee and internally displaced women,  
Women in humanitarian settings**

---

Page 7: Participation, accountability and gender-responsive institutions

**Q24**

In the past five years, what actions and measures has your country taken to promote women's participation in public life and decision-making?

**Collected and analyzed data on women's political participation, including in appointed and elected positions**

---

**Q25**

In the past five years, what actions has your country taken to increase women's access to expression and participation in decision-making in the media, including through information and communication technologies (ICT)?

**None of the above**

**Q26**

Respondent skipped this question

What is the name of your country's current national machinery for gender equality and the empowerment of women?

---

**Q27**

**Entity within a sectoral Ministry (e.g. sub-ministerial, under-secretary positions, institutes, councils and others)**

What is the national women's machinery's current location within government? (please select one of the following options)

---

**Q28**

**Yes**

Does the national women's machinery have adequate financial resources and staff capacity to fulfil its mandate?

---

**Q29**

**The budget of the national women's machinery has increased (as a proportion of overall government spending)**

Over the past five years, which of the following statements best describes the evolution of the budget of your country's national women's machinery? (please select one of the following options)

---

**Q30**

How many programmes is the national women's machinery directly responsible for implementing? Please provide the total number and full name of programmes, as well as links to any supporting documentation.

Total number of programmes:

**N/A - See narrative report**

---

**Q31**

**Ensuring gender equality is realised for all**

What is the guiding vision that best describes the current national women's machinery's mandate? (please select one of the following options)

---

**Q32**

**Yes**

Is there a national human rights institution in your country?

---

**Q33**

**No**

Does the national human rights institution have a specific mandate to focus on gender equality or discrimination based on sex/gender?

---

**Q34**

In the past five years, what actions has your country taken to build and sustain peace, promote peaceful and inclusive societies for sustainable development and implement the women, peace and security agenda?

**Adopted and/or implemented a National Action Plan on women, peace and security**

,

**Integrated women, peace and security commitments into key national and inter-ministerial policy, planning and monitoring frameworks**

,

**Used communication strategies, including social media, to increase awareness of the women, peace and security agenda**

,

**Increased budgetary allocations for the implementation of the women, peace and security agenda**

,

**Supported inclusive and gender-sensitive conflict analysis, early warning and prevention mechanisms**

**Q35**

In the past five years, what actions has your country taken to increase the leadership, representation and participation of women in conflict prevention, resolution, peacebuilding, humanitarian action and crisis response, at decision-making levels in situations of armed and other conflicts, and in fragile or crisis settings?

**Promoted and supported women's meaningful participation in peace processes and the implementation of peace agreements at all levels**

,

**Promoted equal participation of women in humanitarian and crisis response activities at all levels, particularly at the decision-making level**

,

**Adopted gender-responsive approaches to the prevention and resolution of armed or other conflict**

,

**Adopted gender-responsive approaches to humanitarian action and crisis response**

,

**Protected civil society spaces and women's human rights defenders**

,

**Developed, adopted and / or implemented a high impact National Action Plan on 1325**

**Q36**

In the past five years, what actions has your country taken to enhance judicial and non-judicial accountability for violations of international humanitarian law and violations of the human rights of women and girls in situations of armed and other conflicts, and in fragile or crisis settings?

**Taken measures to combat trafficking in women and children**

**Q37**

In the past five years, what actions has your country taken to eliminate discrimination against and violations of the rights of the girl child, including adolescent girls?

**Taken measures to combat discriminatory social norms and practices and increased awareness of the needs and potential of girl children**

,  
**Strengthened girls' access to quality education, skills development and training**

,  
**Implemented policies and programmes to eliminate violence against girls, including physical and sexual violence and harmful practices such as child, early and forced marriage and female genital mutilation**

,  
**Implemented policies and programmes to eradicate child labour and to recognize, reduce and redistribute unpaid care and domestic work undertaken by girl children**

,  
**Incorporated STEM education / closure of gender digital divide in access to digital tools and competencies for girls**

---

Page 9: Environmental conservation, protection and rehabilitation

**Q38**

In the past five years, what actions has your country taken to integrate gender perspectives and concerns into environmental policies, including biodiversity conservation, climate change adaptation and mitigation, and reduction of land degradation?

**Supported women's participation and leadership in environmental and natural resource management and governance**

,  
**Increased women's access to and control over land, water, energy, and other natural resources**

,  
**Promoted the education of women and girls in science, engineering, technology and other disciplines relating to the natural environment**

,  
**Taken steps to ensure that women benefit equally from decent jobs in the green economy**

**Q39**

In the past five years, what actions has your country taken to integrate gender perspectives into policies and programmes for disaster risk reduction and building environmental and climate resilience?

**Supported women’s participation and leadership, including those affected by disasters, in disaster risk reduction, climate and environmental resilience policies, programmes and projects**

**Strengthened the evidence base and raised awareness about the disproportionate vulnerability of women and girls to the impact of climate change, environmental degradation and disasters**

Page 10: Part Four: National institutions and processes

**Q40**

Does your country have a valid national strategy or action plan for gender equality?

**No**

**Q41**

Has the national gender equality strategy or action plan been costed and have sufficient resources been allocated to its achievement in the current budget?

**Not applicable**

**Q42**

Do you track the proportion of the national budget that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

**No**

**Q43**

As a donor country, do you track the proportion of official development assistance (ODA) that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

**Yes**

**Q44**

Is gender equality and the empowerment of all women and girls included as a key priority in the national plan/strategy for SDG implementation?

**Yes**

**Q45**

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the Beijing Declaration and Platform for Action?

**Yes**

**Q46**

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the Beijing Declaration and Platform for Action?

**Civil society organizations,**  
**Women's rights organizations,**  
**Youth-led organizations,**  
**Academia and think tanks,**  
**Faith-based organizations,**  
**Parliaments/parliamentary committees,**  
**Private sector,**

Other actors (please specify):  
Social partners

---

**Q47**

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the 2030 Agenda for Sustainable Development?

**Yes**

---

**Q48**

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the 2030 Agenda for Sustainable Development?

**Civil society organizations,**  
**Women's rights organizations,**  
**Youth-led organizations,**  
**Academia and think tanks,**  
**Faith-based organizations,**  
**Parliaments/parliamentary committees,**  
**Private sector,**

Other actors (please specify):  
Social partners

---

**Q49**

For which of the following does your country have an action plan and timeline in place to follow-up on recommendations?

**None of the above**

---

**Q50**

Over the past five years, what are the top three areas in which your country has made most progress when it comes to gender statistics at the national level? (Please check a maximum of three boxes)

Re-processed existing data (e.g., censuses and surveys) to produce more disaggregated and/or new gender statistics

,

Produced knowledge products on gender statistics (e.g., user-friendly reports, policy briefs, research papers)

,

Developed a centralized web-based database and/or dashboard on gender statistics

**Q51**

Over the next five years, which are your country's top three priorities for strengthening national gender statistics, out of the following? (Please check a maximum of three boxes)

Use more gender-sensitive data in the formulation of policy and implementation of programmes and projects

,

Conduct of new surveys to produce national baseline information on specialized topics (e.g., time use, gender-based violence, asset ownership, poverty, disability)

,

Development of a centralized web-based database and/or dashboard on gender statistics

**Q52**

Have you defined a national set of indicators for monitoring progress on the SDGs?

Yes

**Q53**

How many indicators does it include and how many of those are gender-specific?

Number of indicators	<b>231</b>
Number of gender-specific indicators	<b>23</b>

**Q54**

Has data collection and compilation on gender-specific indicators begun?

Yes

**Q55**

Which of the following disaggregations is routinely provided by major surveys in your country?

**Geographic location,**

**Income,**

**Sex/gender,**

**Age,**

**Education,**

**Marital status,**

**Migratory status**

---
