Over the past five years, has your country introduced austerity/fiscal consolidation measures, such as cuts in public expenditure or public sector downsizing?

Yes

Q12

Have assessments on the impact of such austerity/fiscal consolidation measures on women and men, respectively, been conducted?

No, the impact on women/men has not been assessed.

Page 5: Poverty eradication, social protection and social services

Q13

Over the past five years, what actions has your country taken to reduce/eradicate poverty among women and girls? (please check relevant categories)

Supported women's entrepreneurship, access to markets, and business development activities

,

Introduced or strengthened social protection programmes for women and girls (e.g. cash transfers for women with children, public works/employment guarantee schemes for women of working-age, pensions for older women)

,

Introduced/strengthened low-cost legal services for women living in poverty

Q14

Over the past five years, what actions has your country taken to improve access to social protection for women and girls?

Introduced or strengthened cash transfers for families with children that prioritize women as recipients (e.g. child benefits, family allowances, conditional or unconditional cash transfers)

,

Introduced or strengthened social protection for women of working age (e.g. unemployment benefits, public works programmes, social assistance)

,

Extended social protection to women in informal employment (e.g. subsidies for participation in contributory schemes; inclusion in non-contributory schemes)

Q15

The COVID-19 pandemic spurred significant social protection innovations. From a gender perspective, which of the following statements applies best to the COVID-19 response in your country?

There was no significant social protection response to the COVID-19 pandemic.

Q16

Over the past five years, what actions has your country taken to improve health outcomes for women and girls in your country?

Promoted women's access to health services through expansion of universal health coverage or public health services

,

Expanded specific health services for women and girls, including sexual and reproductive health services, maternal health and HIV services

,

Promoted male involvement in sexual and reproductive health, including contraceptive uptake and responsible sexual behaviour

,

Undertaken gender-specific public awareness/health promotion campaigns

,

Provided gender-responsiveness training for health service providers

,

Strengthened comprehensive sexuality education in schools or through community programmes

Q17

Over the past five years, what actions has your country taken to improve education outcomes and skills for women and girls?

Taken measures to increase girls' access to, retention in and completion of education, technical and vocational education and training (TVET) and skills development programmes

,

Provided gender equality and human rights training for teachers and other education professionals

,

Promoted safe, harassment-free and inclusive educational environments for women and girls

,

Ensured access to safe water and sanitation services and facilitated menstrual hygiene management especially in schools and other education/training settings

,

Strengthened measures to prevent adolescent pregnancies and to enable adolescent girls to continue their education in the case of pregnancy and/or motherhood

Page 6: Freedom from violence, stigma and stereotypes

Q18

Over the past five years, which forms of gender-based violence, and in which specific contexts or settings, has your country prioritized for action?

Sexual harassment and violence in public places, educational settings and workplaces

,

Gender-based violence in conflict-affected settings,

Child, early and forced marriages,

Female genital mutilation,

Trafficking in women and girls

Q19

Over the past five years, what actions has your country prioritized to address gender-based violence?

Introduced or strengthened violence against women laws, and their enforcement and implementation

,

Introduced, updated or expanded national action plans on ending violence against women and girls

,

Introduced or strengthened measures to increase women's access to justice (e.g. establishment of specialist courts, training for the judiciary and police, protection orders, redress and reparations, including for femicide cases)

,

Introduced or strengthened services for survivors of violence (e.g. shelters, help lines, dedicated health services, legal, justice service, counselling, housing, socioeconomic rehabilitation)

,

Introduced or strengthened strategies and interventions to prevent violence against women and girls (e.g. in the education sector, in the media, community mobilization, work with men and boys)

Q20

In the past five years, what strategies has your country used to prevent gender-based violence?

Empowering women and girls to promote their economic independence and access to resources, and promote equitable relations within households, communities and society

,

Alleviating poverty through interventions targeted at women or the household

,

Mobilizing community/faith/traditional leaders, politicians, opinion influencers, journalists, or media influencers (such as sport athletes or celebrities) to influence positive norms

,

Raising public awareness to change attitudes and behaviours

,

Promoting gender-egalitarian values in primary and secondary education, including through comprehensive sexuality education

Q21

In the past five years, what actions has your country taken to prevent and respond to technology-facilitated gender-based violence (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)?

Introduced or strengthened legislation and regulatory provisions

Q22

In the past five years, what actions has your country taken to address the portrayal of women and girls, discrimination and/or gender bias in the media, including social media?

Promoted the participation and leadership of women in the media

Q23

In the past five years, has your country taken any action specifically tailored to address violence against marginalized groups of women and girls? (please check relevant categories)

Women living in remote and rural areas,
Women with disabilities,
Women living with HIV/AIDS,
Girls, adolescents, and younger women,
Refugee and internally displaced women

Q24

In the past five years, what actions and measures has your country taken to promote women's participation in public life and decision-making?

Introduced temporary special measures, such as quotas, reserved seats, benchmarks and targets that promote women's participation in politics, especially at decision-making level

Reinforced the adequate implementation of existing temporary special measures by boosting compliance mechanisms, including through the imposition of sanctions on political parties for non-compliance

Provided opportunities for capacity building and skills development, such as mentorship, training in leadership, decision-making, public speaking, self-assertion, political campaigning for women candidates, elected or appointed politicians, parliamentary caucuses, and/or gender equality advocates

Encouraged the equal political participation of all women, including young women and underrepresented groups like indigenous women, through capacity building, skills development, sensitization and mentorship programmes

Collected and analyzed data on women's political participation, including in appointed and elected positions

Q25

In the past five years, what actions has your country taken to increase women's access to expression and participation in decision-making in the media, including through information and communication technologies (ICT)?

Provided support to women's media networks and organizations

Q26

What is the name of your country's current national machinery for gender equality and the empowerment of women?

Ministry of Gender, Child and Social Welfare

Q27

What is the national women's machinery's current location within government? (please select one of the following options)

Ministerial level or equivalent whose head has full cabinet participation

Q28

No

Does the national women's machinery have adequate financial resources and staff capacity to fulfil its mandate?

Q29

Over the past five years, which of the following statements best describes the evolution of the budget of your country's national women's machinery? (please select one of the following options)

The budget of the national women's machinery has remained stable (as a proportion of overall government spending)

Q30

How many programmes is the national women's machinery directly responsible for implementing? Please provide the total number and full name of programmes, as well as links to any supporting documentation.

Total number of programmes:

6 programs

Full name of programmes:

Gender Mainstreaming, Women Social protection, women economic empowerment, women political participation protection of women from GBV and harmful practices and research and assessment.

Link(s) to supporting documentation:

Ministry of Gender Strategic Plan 2024-2028

Q31

Ensuring gender equality is realised for all

What is the guiding vision that best describes the current national women's machinery's mandate? (please select one of the following options)

Q32

Yes

Is there a national human rights institution in your country?

Q33

Yes

Does the national human rights institution have a specific mandate to focus on gender equality or discrimination based on sex/gender?

Page 8: Peaceful and inclusive societies

Q34

In the past five years, what actions has your country taken to build and sustain peace, promote peaceful and inclusive societies for sustainable development and implement the women, peace and security agenda?

Adopted and/or implemented a National Action Plan on women, peace and security

Integrated women, peace and security commitments into key national and inter-ministerial policy, planning and monitoring frameworks

Q35

In the past five years, what actions has your country taken to increase the leadership, representation and participation of women in conflict prevention, resolution, peacebuilding, humanitarian action and crisis response, at decision-making levels in situations of armed and other conflicts, and in fragile or crisis settings?

Promoted and supported women’s meaningful participation in peace processes and the implementation of peace agreements at all levels

Promoted equal participation of women in humanitarian and crisis response activities at all levels, particularly at the decision-making level

Adopted gender-responsive approaches to the prevention and resolution of armed or other conflict

Adopted gender-responsive approaches to humanitarian action and crisis response

Developed, adopted and / or implemented a high impact National Action Plan on 1325

Q36

In the past five years, what actions has your country taken to enhance judicial and non-judicial accountability for violations of international humanitarian law and violations of the human rights of women and girls in situations of armed and other conflicts, and in fragile or crisis settings?

Strengthened institutional capacities, including of the justice system and transitional justice mechanisms as applicable, during conflict and crisis response

Strengthened capacity of security sector institutions on human rights and prevention of sexual and gender-based violence and sexual exploitation and abuse

Increased access of conflict-affected, refugee or displaced women to violence prevention and protection services

Taken measures to combat trafficking in women and children

Q37

In the past five years, what actions has your country taken to eliminate discrimination against and violations of the rights of the girl child, including adolescent girls?

Taken measures to combat discriminatory social norms and practices and increased awareness of the needs and potential of girl children

,

Strengthened girls' access to quality education, skills development and training

,

Tackled disadvantages in health outcomes due to malnutrition, early childbearing (e.g. anemia) and exposure to HIV/AIDS and other sexually transmitted diseases

,

Implemented policies and programmes to eliminate violence against girls, including physical and sexual violence and harmful practices such as child, early and forced marriage and female genital mutilation

,

Promoted girls' awareness of and participation in social, economic and political life

Page 9: Environmental conservation, protection and rehabilitation

Q38

In the past five years, what actions has your country taken to integrate gender perspectives and concerns into environmental policies, including biodiversity conservation, climate change adaptation and mitigation, and reduction of land degradation?

Strengthened evidence and/or raised awareness about gender-specific environmental and health hazards (e.g. consumer products, technologies, industrial pollution)

,

Increased women's access to and control over land, water, energy, and other natural resources

,

Enhanced women's access to sustainable time- and labour-saving infrastructure (e.g. access to clean water and energy) and climate-resilient agricultural technology

,

Monitored and evaluated the impact of environmental policies and sustainable infrastructure projects on women and girls

Q39

In the past five years, what actions has your country taken to integrate gender perspectives into policies and programmes for disaster risk reduction and building environmental and climate resilience?

Supported women’s participation and leadership, including those affected by disasters, in disaster risk reduction, climate and environmental resilience policies, programmes and projects

Strengthened the evidence base and raised awareness about the disproportionate vulnerability of women and girls to the impact of climate change, environmental degradation and disasters

Promoted access of women in situations of disaster to services such as relief payments, disaster insurance and compensation

Page 10: Part Four: National institutions and processes

Q40

Yes

Does your country have a valid national strategy or action plan for gender equality?

Q41

Yes

Has the national gender equality strategy or action plan been costed and have sufficient resources been allocated to its achievement in the current budget?

Q42

No

Do you track the proportion of the national budget that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

Q43

Yes

As a donor country, do you track the proportion of official development assistance (ODA) that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

Q44

Yes

Is gender equality and the empowerment of all women and girls included as a key priority in the national plan/strategy for SDG implementation?

Q45

Yes

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the Beijing Declaration and Platform for Action?

Q46

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the Beijing Declaration and Platform for Action?

**Civil society organizations,
Academia and think tanks,
Faith-based organizations,
Parliaments/parliamentary committees,
United Nations system**

Q47

Yes

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the 2030 Agenda for Sustainable Development?

Q48

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the 2030 Agenda for Sustainable Development?

**Civil society organizations,
Youth-led organizations,
Academia and think tanks,
Parliaments/parliamentary committees,
United Nations system**

Q49

For which of the following does your country have an action plan and timeline in place to follow-up on recommendations?

Committee on the Elimination of Discrimination against Women
,
Universal Periodic Review,
Other United Nations Human Rights mechanisms that address gender inequality/discrimination against women

Q50

Over the past five years, what are the top three areas in which your country has made most progress when it comes to gender statistics at the national level? (Please check a maximum of three boxes)

- Established an inter-agency coordination mechanism on gender statistics (e.g., technical working group, inter-agency committee)
- Used more gender-sensitive data in the formulation of policy and implementation of programmes and projects
- Engaged in capacity building to strengthen the use of gender statistics (e.g., trainings, statistical appreciation seminars)

Q51

Over the next five years, which are your country's top three priorities for strengthening national gender statistics, out of the following? (Please check a maximum of three boxes)

- Design of laws, regulations, or statistical programme/strategy promoting the development of gender statistics
- Establishment of an inter-agency coordination mechanism on gender statistics (e.g., technical working group, inter-agency committee)
- Use more gender-sensitive data in the formulation of policy and implementation of programmes and projects

Q52

Have you defined a national set of indicators for monitoring progress on the SDGs?

Yes

Q53

How many indicators does it include and how many of those are gender-specific?

Number of indicators	146
Number of gender-specific indicators	84

Q54

Has data collection and compilation on gender-specific indicators begun?

Yes

Q55

Which of the following disaggregations is routinely provided by major surveys in your country?

- Sex/gender,
- Age,
- Marital status,
- Disability

Q56
