 - Political participation and representation**
-

Q5

Over the past five years, have you taken specific measures to prevent discrimination and promote the rights of marginalized groups of women and girls? (please check relevant categories)

- Women and girls marginalized on account of race, ethnicity and/or caste**
 - ,
 - Women and girls with disabilities,**
 - Women and girls living with HIV/AIDS,**
 - Migrant women and girls,**
 - Refugee and internally displaced women and girls**
-

Q6

Over the past five years, which of the following crises have affected the implementation of the BPfA in your country? (please check relevant categories)

- COVID-19 and other pandemics,**
 - Armed conflict,**
 - Climate crisis**
-

Q7

Over the next five years, which of the following does your country consider to be the top five priorities for accelerating progress for women and girls in your country through laws, policies and programmes? (Please check a maximum of five boxes)

- Equality and non-discrimination under the law and access to justice**
 - ,
 - Quality education, training and life-long learning for women and girls**
 - ,
 - Poverty eradication, agricultural productivity and food security**
 - ,
 - Eliminating violence against women and girls,**
 - Political participation and representation**
-

Q8

Over the past five years, what actions has your country taken to advance gender equality in relation to women's role in paid work and employment? (please check relevant categories)

Strengthened / enforced laws and workplace policies and practices that prohibit discrimination in the recruitment, retention and promotion of women in the public and private sectors, and equal pay legislation

Introduced / strengthened gender-responsive job creation and active labour market policies (e.g. education and training, skills, subsidies)

Taken measures to prevent sexual harassment, including in the workplace

Improved financial inclusion and access to credit, including for self-employed women

Devised mechanisms for women's equal participation in economic decision-making bodies (e.g. in ministries of trade and finance, central banks, national economic commissions)

Q9

In the past five years, what actions has your country taken to recognize, reduce and/or redistribute unpaid care and domestic work and promote work-life and family conciliation? (please check relevant categories)

Expanded support for older persons, persons with disabilities and others needing intense forms of care

Conducted campaigns or awareness raising activities to encourage the participation of men and boys in unpaid care and domestic work

Q10

In the past five years, what actions has your country taken to reduce the gender digital divide? (please check relevant categories)

Taken measures to promote gender-responsive STEM education

Taken measures to create conditions for gender-responsive digital learning environments

Q11

Over the past five years, has your country introduced austerity/fiscal consolidation measures, such as cuts in public expenditure or public sector downsizing?

No

Q12

Have assessments on the impact of such austerity/fiscal consolidation measures on women and men, respectively, been conducted?

No, the impact on women/men has not been assessed.

Page 5: Poverty eradication, social protection and social services

Q13

Over the past five years, what actions has your country taken to reduce/eradicate poverty among women and girls? (please check relevant categories)

Promoted poor women's access to decent work through active labour market policies (e.g. job training, skills, employment subsidies, etc.) and targeted measures

,

Broadened access to land, housing, finance, technology and/or agricultural extension services

,

Supported women's entrepreneurship, access to markets, and business development activities

,

Introduced/strengthened low-cost legal services for women living in poverty

Q14

Over the past five years, what actions has your country taken to improve access to social protection for women and girls?

Introduced or strengthened cash transfers for families with children that prioritize women as recipients (e.g. child benefits, family allowances, conditional or unconditional cash transfers)

,

Introduced or strengthened social protection for women of working age (e.g. unemployment benefits, public works programmes, social assistance)

,

Introduced or strengthened social protection for older women (e.g. expansion of social pensions, moratoriums, inflation adjustment, introduction of pension credits for caregivers)

Q15

The COVID-19 pandemic spurred significant social protection innovations. From a gender perspective, which of the following statements applies best to the COVID-19 response in your country?

The pandemic spurred gender-responsive innovations as well as longer-term transformations of social protection to strengthen women's income security.

Q16

Over the past five years, what actions has your country taken to improve health outcomes for women and girls in your country?

Promoted women's access to health services through expansion of universal health coverage or public health services

,

Expanded specific health services for women and girls, including sexual and reproductive health services, maternal health and HIV services

,

Undertaken gender-specific public awareness/health promotion campaigns

Q17

Over the past five years, what actions has your country taken to improve education outcomes and skills for women and girls?

Taken measures to increase girls' access to, retention in and completion of education, technical and vocational education and training (TVET) and skills development programmes

,

Provided gender equality and human rights training for teachers and other education professionals

,

Increased access to skills and training in new and emerging fields, especially STEM (science, technology, engineering and math) and digital fluency and literacy

Page 6: Freedom from violence, stigma and stereotypes

Q18

Over the past five years, which forms of gender-based violence, and in which specific contexts or settings, has your country prioritized for action?

Domestic violence committed by other family or household members

,

Violence against women and girls facilitated by technology (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)

,

Child, early and forced marriages,

Trafficking in women and girls

Q19

Over the past five years, what actions has your country prioritized to address gender-based violence?

Introduced or strengthened violence against women laws, and their enforcement and implementation

,

Introduced, updated or expanded national action plans on ending violence against women and girls

,

Introduced or strengthened services for survivors of violence (e.g. shelters, help lines, dedicated health services, legal, justice service, counselling, housing, socioeconomic rehabilitation)

,

Introduced or strengthened strategies and interventions to prevent violence against women and girls (e.g. in the education sector, in the media, community mobilization, work with men and boys)

Q20

In the past five years, what strategies has your country used to prevent gender-based violence?

Empowering women and girls to promote their economic independence and access to resources, and promote equitable relations within households, communities and society

,

Alleviating poverty through interventions targeted at women or the household

,

Create safe environments including schools, workplaces, and public spaces

,

Promoting non-violent family relationships and positive parenting practices

,

Promoting positive gender-equitable attitudes, beliefs, values and norms, especially among men and boys

,

Mobilizing community/faith/traditional leaders, politicians, opinion influencers, journalists, or media influencers (such as sport athletes or celebrities) to influence positive norms

,

Raising public awareness to change attitudes and behaviours

Q21

In the past five years, what actions has your country taken to prevent and respond to technology-facilitated gender-based violence (e.g. online sexual harassment, online stalking, non-consensual sharing of intimate images)?

Implemented awareness raising initiatives targeting the general public and education settings to sensitize young people, caregivers and educators to ethical and responsible online behaviour

Strengthen the capacity of government actors for the development of policy and legislation, and their enforcement and implementation

Q22

In the past five years, what actions has your country taken to address the portrayal of women and girls, discrimination and/or gender bias in the media, including social media?

Provided training to media professionals to encourage the creation and use of non-stereotypical, balanced and diverse images of women and girls in the media, including social media

Promoted the participation and leadership of women in the media

Established or strengthened consumer protection services to receive and review complaints about media content or gender-based discrimination/bias in the media

Q23

In the past five years, has your country taken any action specifically tailored to address violence against marginalized groups of women and girls? (please check relevant categories)

Women living in remote and rural areas,

Indigenous women,

Women marginalized on account of race, ethnicity and/or caste

Migrant women,

Refugee and internally displaced women

Q24

In the past five years, what actions and measures has your country taken to promote women's participation in public life and decision-making?

Introduced temporary special measures, such as quotas, reserved seats, benchmarks and targets that promote women's participation in politics, especially at decision-making level

Provided opportunities for capacity building and skills development, such as mentorship, training in leadership, decision-making, public speaking, self-assertion, political campaigning for women candidates, elected or appointed politicians, parliamentary caucuses, and/or gender equality advocates

Strengthened civic space and protections for women's movements and women human rights defenders

Q25

In the past five years, what actions has your country taken to increase women's access to expression and participation in decision-making in the media, including through information and communication technologies (ICT)?

Strengthened the provision of formal and technical vocational education and training (TVET) in media and ICTs, including in areas of management and leadership

Taken measures to enhance access, affordability and use of ICTs for women and girls (e.g. free wifi hubs, community technology centers)

Q26

What is the name of your country's current national machinery for gender equality and the empowerment of women?

Комитет по делам женщин и семьи при Правительстве Республики Таджикистан

Q27

What is the national women's machinery's current location within government? (please select one of the following options)

Ministerial level or equivalent whose head has full cabinet participation

Q28

Does the national women's machinery have adequate financial resources and staff capacity to fulfil its mandate?

No

Q29

Over the past five years, which of the following statements best describes the evolution of the budget of your country's national women's machinery? (please select one of the following options)

The budget of the national women's machinery has increased (as a proportion of overall government spending)

Q30

How many programmes is the national women's machinery directly responsible for implementing? Please provide the total number and full name of programmes, as well as links to any supporting documentation.

Total number of programmes:

Более 15

Full name of programmes:

Программы указаны в обзоре

Link(s) to supporting documentation:

ССЫЛКИ ТАКЖЕ ВКЛЮЧЕНЫ В ОТЧЁТЕ

Q31

Ensuring gender equality is realised for all

What is the guiding vision that best describes the current national women's machinery's mandate? (please select one of the following options)

Q32

Yes

Is there a national human rights institution in your country?

Q33

Yes

Does the national human rights institution have a specific mandate to focus on gender equality or discrimination based on sex/gender?

Page 8: Peaceful and inclusive societies

Q34

Adopted and/or implemented a National Action Plan on women, peace and security

In the past five years, what actions has your country taken to build and sustain peace, promote peaceful and inclusive societies for sustainable development and implement the women, peace and security agenda?

Q35

Promoted and supported women's meaningful participation in peace processes and the implementation of peace agreements at all levels

In the past five years, what actions has your country taken to increase the leadership, representation and participation of women in conflict prevention, resolution, peacebuilding, humanitarian action and crisis response, at decision-making levels in situations of armed and other conflicts, and in fragile or crisis settings?

Q36

Strengthened capacity of security sector institutions on human rights and prevention of sexual and gender-based violence and sexual exploitation and abuse

In the past five years, what actions has your country taken to enhance judicial and non-judicial accountability for violations of international humanitarian law and violations of the human rights of women and girls in situations of armed and other conflicts, and in fragile or crisis settings?

Q37

In the past five years, what actions has your country taken to eliminate discrimination against and violations of the rights of the girl child, including adolescent girls?

Taken measures to combat discriminatory social norms and practices and increased awareness of the needs and potential of girl children

Strengthened girls' access to quality education, skills development and training

Promoted girls' awareness of and participation in social, economic and political life

Page 9: Environmental conservation, protection and rehabilitation

Q38

In the past five years, what actions has your country taken to integrate gender perspectives and concerns into environmental policies, including biodiversity conservation, climate change adaptation and mitigation, and reduction of land degradation?

Increased women's access to and control over land, water, energy, and other natural resources

Promoted the education of women and girls in science, engineering, technology and other disciplines relating to the natural environment

Q39

In the past five years, what actions has your country taken to integrate gender perspectives into policies and programmes for disaster risk reduction and building environmental and climate resilience?

Introduced or strengthened and implemented gender-responsive laws and policies related to disaster risk reduction and building climate and environmental resilience (e.g. disaster laws addressing vulnerability of women in disaster)

Page 10: Part Four: National institutions and processes

Q40

No

Does your country have a valid national strategy or action plan for gender equality?

Q41

No

Has the national gender equality strategy or action plan been costed and have sufficient resources been allocated to its achievement in the current budget?

Q42

No

Do you track the proportion of the national budget that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

Q43

No

As a donor country, do you track the proportion of official development assistance (ODA) that is invested in the promotion of gender equality and the empowerment of women (gender-responsive budgeting)?

Q44

Yes

Is gender equality and the empowerment of all women and girls included as a key priority in the national plan/strategy for SDG implementation?

Q45

No

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the Beijing Declaration and Platform for Action?

Q46

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the Beijing Declaration and Platform for Action?

Civil society organizations,
Women's rights organizations,
Youth-led organizations,
Parliaments/parliamentary committees,
United Nations system

Q47

Yes

Are there formal mechanisms in place for different stakeholders to participate in the implementation and monitoring of the 2030 Agenda for Sustainable Development?

Q48

Which of the following stakeholders participate formally in national coordination mechanisms established to contribute to the implementation of the 2030 Agenda for Sustainable Development?

Civil society organizations,
Women's rights organizations,
Academia and think tanks,
Parliaments/parliamentary committees,
United Nations system

Q49

For which of the following does your country have an action plan and timeline in place to follow-up on recommendations?

Committee on the Elimination of Discrimination against Women

,

Universal Periodic Review,

Other United Nations Human Rights mechanisms that address gender inequality/discrimination against women

Page 11: Part Five: Data and Statistics

Q50

Over the past five years, what are the top three areas in which your country has made most progress when it comes to gender statistics at the national level? (Please check a maximum of three boxes)

Promulgated laws, regulations, or statistical programme/strategy setting out the development of gender statistics

,

Established an inter-agency coordination mechanism on gender statistics (e.g., technical working group, inter-agency committee)

,

Used more gender-sensitive data in the formulation of policy and implementation of programmes and projects

Q51

Over the next five years, which are your country's top three priorities for strengthening national gender statistics, out of the following? (Please check a maximum of three boxes)

Design of laws, regulations, or statistical programme/strategy promoting the development of gender statistics

,

Establishment of an inter-agency coordination mechanism on gender statistics (e.g., technical working group, inter-agency committee)

,

Use more gender-sensitive data in the formulation of policy and implementation of programmes and projects

Q52

Have you defined a national set of indicators for monitoring progress on the SDGs?

No

Q53

How many indicators does it include and how many of those are gender-specific?

Respondent skipped this question

Q54

No

Has data collection and compilation on gender-specific indicators begun?

Q55

Geographic location,

Which of the following disaggregations is routinely provided by major surveys in your country?

Age,

Education
