

Clarification to the Queries Received from Potential Proponents in Response to the Call for Proposals

"Responding to the urgent needs of women and girls affected by COVID-19 in Europe and Central Asia"

CFP No: 2020/01/00123171

Kindly note that the deadline for application was extended to 22 August due to the delay in the publication of this clarification document.

Query 1: Where can we access the application form?

Clarification 1: All application documents can be reached at <https://auth-hq.unwomen.org/en/how-we-work/programme-implementation/2020/08/responding-to-the-urgent-needs-of-women-and-girls-in-affected-by-the-covid-19-in-eca> Proponents are invited to carefully review the whole document as well as the templates to be filled in which are found in the same document.

Query 2: Can we get the application form in the Word format?

Clarification 2: Please find the below application form in the Word format.

Query 3: Can we submit proposals on Iraq as part of this Call for Proposal?

Clarification 3: Kindly see page 3 of the CFP. Priority will be given to proposals implementing projects in multiple countries in the Europe and Central Asia region. Proponents should select countries primarily from where UN Women has offices or programme presences (Albania, Bosnia and Herzegovina, Georgia, Kazakhstan, Kosovo (under UNSCR 1244), Kyrgyzstan, Moldova, North Macedonia, Serbia Turkey, Tajikistan and Ukraine).

Query 4: Page 3 provides information on expected output 1.2, but there is no output 1.1. Is this missing or this was only an example?

Clarification 4: The output numbering is correct. The components to be implemented by this CFP is part of an umbrella UN Women project with multiple outputs. This CFP is related to Output 1.2 of this umbrella project.

Query 5: Item "Contracts" in the budget table – what does this actually mean? Can you please provide more details.

Clarification 5: If your organization needs other entities to implement part of the activities, please indicate the costs associated with the contracting.

Query 6: Proposal currency is requesting all prices to be quoted in local currency – what if proposal is submitted for more than one country? Can we use EURO instead?

Clarification 6: Please quote the prices in a single currency. Local currency means the currency of the country where your headquarters is located or one of your branch offices is best suited to implement the project in a given location.

Query 7: Legal registration – do we need to submit for the countries where we propose to implement activities or where our HQ is registered or both?

Clarification 7: It is both.
