I. Overview of Results

Fig 1: Number of countries where UN-Women works in which output level results have been achieved in each priority area, by year¹:

¹ This counts the number of countries each year in which at least one output has been achieved for each of the priority areas 1 through 5. It is not a cumulative total over the SP period.

Priority Area 1: Women’s Increased Leadership and Participation

Fig 2: Trajectory of Progress against targets: UN Women Outcome Indicators, 2011-2017:

Number of countries which incorporate temporary special measures

Number of countries in which political parties put forward increased number of female candidates

Number of countries where election management bodies establish measures to promote women’s leadership and participation in politics

Number of countries that put processes in place (e.g. ID cards) to ensure that marginalized women have the means to vote

CEB adoption of joint guidance note on Temporary Special Measures

Target 2013: 1
Progress 2013: 1

	Off Track	<ul style="list-style-type: none"> Number of countries that put processes in place (e.g. ID cards) to ensure that marginalized women have the means to vote
	On Track	<ul style="list-style-type: none"> Number of countries in which political parties put forward increased number of female candidates Number of countries which incorporate temporary special measures Number of countries where election management bodies establish measures to promote women's leadership and participation in politics CEB adoption of joint guidance note on Temporary Special Measures

Number of countries supported under priority area 1	Programme expenses 2013 under priority area 1
71	38.3 million

Outcome 1.1: Constitutions, legal frameworks, and policies to advance women’s right to participate in decision making are reformed/adopted and implemented.

Fig 3: Cumulative Number of countries² (during the SP period) which incorporate temporary special measures for women in constitutions, legal frameworks and policies

Fig 4: Cumulative Number of countries³ (during the SP period) in which political parties put forward increased number of female candidates in national elections

² Albania, Algeria, Bolivia, Brazil, China, Colombia, Democratic Republic of Congo, Egypt, El Salvador, Guatemala, Haiti, Honduras, Kenya, Mexico, Morocco, Palestine, Papua New Guinea, Senegal, South Sudan, Timor-Leste, Tunisia, Turkey, Vanuatu, Zimbabwe

³ Brazil, Cape Verde, Cameroon, Egypt, Guatemala, Kenya, Mexico, Nigeria, Pakistan, Papua New Guinea, Rwanda, Timor-Leste

Outcome 1.2: Gender responsive electoral measures (mechanisms, processes and services) promote women’s leadership and participation in politics.

Fig 5: Cumulative Number of countries⁴ (during the SP period) where election management bodies establish measures to promote women’s leadership and participation in politics

Fig 6: Cumulative Number of Programme countries⁵ (during the SP period) that put processes in place (e.g. ID cards) to ensure that marginalized women have the means to vote

⁴ Afghanistan, Bolivia, Cameroon, Colombia, Democratic Republic of Congo, Honduras, Kenya, Kiribati, Mali, Micronesia (Federated State of), Morocco, Nigeria, Pakistan, Papua New Guinea, Solomon Islands, South Sudan, Sudan, Timor-Leste, Tunisia, Vanuatu

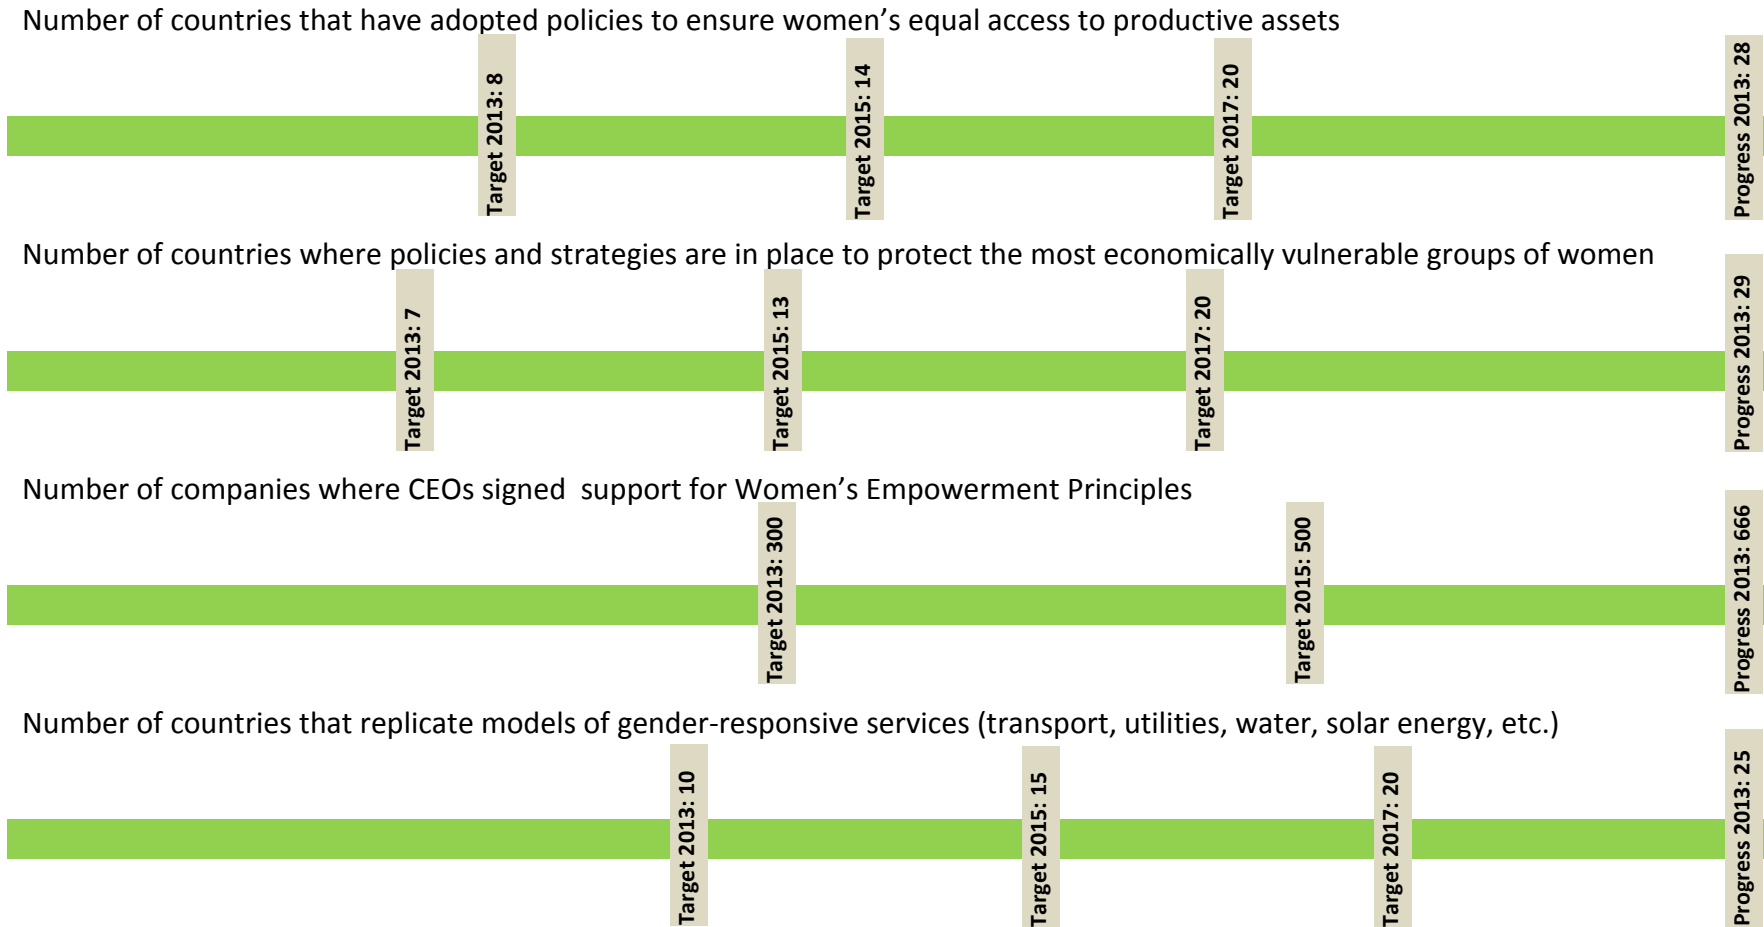

⁵ Afghanistan, Cameroon, Cote d’Ivoire, Democratic Republic of Congo, Egypt, Pakistan, Timor-Leste, Tunisia

Fig 7: Type of UN Women contributions at the output level under Priority Area 1

Priority Area 2: Women's Economic Empowerment

Fig 8: Trajectory of Progress against targets: UN Women Outcome Indicators, 2011-2017:

Adoption by CEB of UN Women strategy and action plan on women's economic empowerment

Extent to which initiatives in the Global Migration Group (GMG) Plan of Action and GFMD outcomes on Empowering Women Migrant Workers integrate a gender equality and empowerment of women perspective on migration

Off Track	<ul style="list-style-type: none"> Adoption by CEB of UN Women strategy and action plan on women's economic empowerment
On Track	<ul style="list-style-type: none"> Number of countries that have adopted policies to ensure women's equal access to productive assets Number of countries where policies and strategies are in place to protect the most economically vulnerable groups of women Number of companies where CEOs signed support for Women's Empowerment Principles Number of countries that replicate models of gender-responsive services (transport, utilities, water, solar energy, etc.) Extent to which initiatives in the Global Migration Group (GMG) Plan of Action and GFMD outcomes on Empowering Women Migrant Workers integrate a gender equality and empowerment of women perspective on migration

Number of countries supported under priority area 2	Programme expense 2013 under priority area 2
67	38 million

Outcome 2.1: Policies adopted and implemented to strengthen women’s economic empowerment

Fig 9: Cumulative Number of Programme Countries⁶ (during the SP period) where policies and strategies are adopted/strengthened to protect the most economically vulnerable groups of women

Fig 10: Cumulative Number of countries⁷ (during the SP period) that have adopted policies to ensure women’s equal access to productive assets

⁶ Afghanistan, Albania, Argentina, Bangladesh, Bolivia, Brazil, Cambodia, Cameroon, Egypt, Ethiopia, Grenada, Guatemala, Kazakhstan, Kiribati, Lao PDR, Mexico, Moldova, Morocco, Nepal, Nicaragua, Nigeria, Philippines, St. Kitts & Nevis, State of Palestine, Sudan, Tajikistan, Tanzania, Viet Nam

⁷ Albania, Bangladesh, Bolivia, Brazil, Burundi, Côte d'Ivoire, Ecuador, Haiti, India, Jordan, Kenya, Kyrgyzstan, Liberia, Mali, Mexico, Moldova, Montenegro, Morocco, Nigeria, Pakistan, Rwanda, Senegal, Serbia, South Sudan, Sudan, Tajikistan, Timor-Leste

Outcome 2.2: Companies (private and public) promote women's economic empowerment.

Fig 11: Number of companies that have signed the CEO Statement of Support for the Women's Empowerment Principles

Outcome 2.3: Gender responsive services (transport, utilities, markets, water, energy, etc.) enhance women's livelihoods

Fig 12: Cumulative Number of countries⁸ (during the SP period) that replicate models of gender-responsive services (transport, utilities, water, solar energy, markets etc.)

⁸ Burkina Faso, Cameroon, China, Cote D'Ivoire, Fiji, Georgia, India, Jordan, Liberia, Mali, Moldova, Montenegro, Morocco, Mozambique, Niger, Papua New Guinea, Senegal, Serbia, South Sudan, Solomon Islands, State of Palestine, Tajikistan, Tanzania, Vanuatu, Zimbabwe

Fig 13: Type of UN Women contributions at the output level under Priority Area 2

Priority Area 3: Ending Violence against Women

Fig 14: Trajectory of Progress against targets: UN Women Outcome Indicators, 2011-2017:

Number of countries that have adopted legislation, policies and strategies to address Violence Against Women and Girls

Number of countries that implement standards for service delivery to respond to VAWG

Number of countries in which women from excluded groups influence policies to make special provisions for such groups

Number of countries that adopt National Action Plans (NAPs) on ending violence against women and girls

	Off Track	<ul style="list-style-type: none"> Number of countries that adopt National Action Plans (NAPs) on ending violence against women and girls
	Almost on track	<ul style="list-style-type: none"> Number of countries that have adopted legislation, policies and strategies to address Violence Against Women and Girls

II. Output Level Data

RESULT STATEMENT	INDICATOR	RESULT 2013 ¹⁹
Outcome: Constitutions, legal frameworks, and policies to advance women's right to participate in decision making are reformed/adopted and implemented.		
Output: National institutions produce disaggregated data and statistics for gender sensitive policy-making and service delivery	Number of countries supported by UN Women where national institutions produce disaggregated data and statistics for gender sensitive policy-making and service delivery	3 countries (Pakistan, Serbia, Kenya)
Output: Enhanced national capacity to develop and implement constitutions, legal framework and policies that promote women's participation in decision making	Number of countries supported by UN Women where enhanced national capacity leads to the drafting of constitutions, legal frameworks policies and implementation plans to improve women's participation in decision making	17 countries (Afghanistan, Albania, Bangladesh, Bosnia and Herzegovina, Brazil, Colombia, Haiti, Jordan, Kenya, Morocco, Pakistan, Rwanda, Senegal, Sierra Leone, Tanzania, Thailand, Ukraine)
Output: Decision making bodies have improved access to knowledge products and tools to formulate gender sensitive constitutions, legal frameworks, and policies that promote women's political participation	Number of countries supported by UN Women where decision making bodies use knowledge, expertise and tools made available by UN Women to formulate gender sensitive laws, policies or reforms that promote women's political participation	6 countries (Bhutan, Egypt, Morocco, Paraguay, Solomon Islands, Tanzania)
Outcome: Gender responsive electoral measures (mechanisms, processes and services) promote women's leadership and participation in politics.		
Output: Strengthened national capacities (e.g., of election management bodies, security	Number of countries supported by UN Women where government bodies	8 countries (Albania, Bangladesh, Democratic Republic of Congo,

¹⁹ This is the number of countries reporting output level results in 2013.

RESULT STATEMENT	INDICATOR	RESULT 2013 ¹⁹
sector institutions) to promote women's participation in electoral processes both as candidates and voters	concerned with electoral processes (election management bodies, security sector institutions) draft policies and strategies to promote women's participation in elections as candidates and voters	Egypt, Kenya, Malawi, Mali, Mexico)
Output: Gender equality advocates including national women's machineries have strengthened capacities to influence political parties, service delivery institutions, media, community organizations and local governments to promote gender equality in leadership and participation	Number of countries supported by UN Women where gender equality advocates are able to develop advocacy campaigns / strategies to engage and influence political parties, service delivery institutions, media, community organizations and local governments to promote gender equality in leadership and participation	25 countries (Albania, Bangladesh, Bolivia, Bosnia and Herzegovina, Burundi, Cameroon, Cape Verde, Egypt, FYR Macedonia, Guinea-Bissau, Honduras, Jamaica, Jordan, Moldova, Morocco, Namibia, Nepal, Palestine, Somalia, Sudan, Tanzania, Timor-Leste, Tunisia, Uruguay, Vanuatu
Output: Dialogue spaces and mechanisms established at local, regional and national levels for gender equality advocates to influence decision making and lobby media support towards policies and legislation that can promote gender equality in leadership and participation	Number of countries supported by UN Women that establish dialogue spaces and mechanisms at local, regional and national levels for gender equality advocates to influence decision making and lobby media support towards policies and legislation that can promote gender equality in leadership and participation	11 countries (Cambodia, Colombia, Ecuador, El Salvador, Fiji, India, Mali, Rwanda, Solomon Islands, Tunisia, Vanuatu
Outcome: Common approach for UN system in place on Temporary Special Measures to promote women's leadership and participation in decision making.		
Output: Development of draft UN system approach to special temporal measures that promote women's leadership and participation in decision-making under UN Women's coordination	Existence of draft UN system approach to temporary special measures that promote women's leadership and participation in decision-making	Yes

RESULT STATEMENT	INDICATOR	RESULT 2013 ¹⁹
Outcome: Policies adopted and implemented to strengthen women's economic empowerment		
Output: Decision makers have access to nationally-generated and disaggregated data and statistics on economic opportunities and constraints for women including female domestic and migrant workers	Number of countries supported by UN Women where national institutions are producing nationally generated data and statistics on economic opportunities and constraints for women including female domestic and migrant workers	12 countries (Albania, Botswana, Cape Verde, Fiji, India, Kiribati, Moldova, Morocco, Solomon Islands, Sudan, Vanuatu, Viet Nam)
Output: Dialogue mechanisms for line ministries, service delivery institutions and women's organizations are established to include gender equality priorities in the relevant national economic strategies	Number of countries supported by UN Women where dialogue mechanisms are established for line ministries, service delivery institutions and women's organizations to include gender equality priorities in relevant national economic strategies	4 countries (Guatemala, Kenya, Papua New Guinea, Tanzania)
Output: Enhanced capacity of legislators and policy makers in applying international standards and frameworks in national laws, policies and regulations for protecting the rights of women workers	Number of countries supported by UN Women where legislators and policy makers apply international standards and frameworks to draft national laws, policies and regulations for protecting the rights of women workers	12 countries (Antigua & Barbuda, Barbados, Cambodia, Guatemala, India, Jamaica, Mexico, Mozambique, Paraguay, Swaziland, Tanzania, Viet Nam)
Output: Gender equality advocates increase their capacity to demand alignment of key economic policies with gender equality priorities including the rights of women workers	Number of countries supported by UN Women where gender equality advocates are able to articulate common agendas to demand alignment of key economic policies with gender equality priorities including the rights of women workers	16 countries (Bangladesh, Brazil, Burundi, Cambodia, Ecuador, Ethiopia, India, Jamaica, Lao PDR, Liberia, Moldova, Nepal, Paraguay, Serbia, Tajikistan, Tanzania)
Outcome: Companies (private and public) promote women's economic empowerment		
Output: Private sector companies and industry associations/chambers of commerce enhance	Number of countries supported by UN Women where private sector companies and	3 countries (Cape Verde, Georgia, Serbia)

RESULT STATEMENT	INDICATOR	RESULT 2013 ¹⁹
their capacity to promote gender equality and women's economic empowerment	industry associations /chambers of commerce develop draft human resource and other internal policies to promote gender equality and women's economic empowerment	
Outcome: Gender-responsive services (transport, utilities, markets, water, energy, etc.) enhance women's livelihoods		
Output: Enhanced capacity of Government and non-government service providers, media and recruiting agencies at national and local levels to develop gender responsive services and policies (transport, utilities, water, energy, etc.) that promote women's economic security and rights	Number of countries supported by UN Women where government and non-government service providers, media and recruiting agencies at national and local levels develop proposals for gender responsive services and policies (transport, utilities, water, energy, etc.) that promote women's economic security and rights	21 countries (Afghanistan, Albania, Bangladesh, Cambodia, Ecuador, Fiji, FYR Macedonia, Guatemala, Honduras, India, Kenya, Kyrgyzstan, Liberia, Moldova, Montenegro, Nepal, Nigeria, Papua New Guinea, South Africa, Tajikistan, Zimbabwe)
Output: Strengthened skills enhancement opportunities/mentorship programmes and enterprise development assistance (including credit and financial services) for women entrepreneurs and workers	Number of countries supported by UN Women where women entrepreneurs and workers are able to access skills enhancement opportunities /mentorship programmes and enterprise development assistance	33 countries (Afghanistan, Albania, Bahamas, Bangladesh, Barbados, Burkina Faso, Burundi, Cape Verde, Cote D'Ivoire, Dominica, Egypt, Ethiopia, Grenada, Haiti, Honduras, Jordan, Kenya, Kyrgyzstan, Liberia, Mali, Morocco, Nepal, Palestine, Rwanda, Senegal, Serbia, Somalia, South Africa, South Sudan, Tajikistan, Tunisia, Uzbekistan, Zimbabwe)
Outcome: Legislation and policies are adopted and implemented to respond to and prevent violence against women and girls.		
Output: Mechanisms developed for the collection, production, analysis and	Number of countries where mechanisms are in place for the collection, production,	13 countries (Bangladesh, Bosnia and Herzegovina, Brazil, Cape

RESULT STATEMENT	INDICATOR	RESULT 2013 ¹⁹
dissemination of data on women victims of violence and access to justice services	analysis and dissemination of data on women victims of violence and access to justice services	Verde, Jordan, Kazakhstan, Malawi, Morocco, Nigeria, Palestine, Paraguay, Serbia, Viet Nam)
Output: National and Local authorities have access to model approaches, tools and standardized training programmes for increasing women and girls' safety in urban public spaces	Number of countries supported by UN Women where national and local authorities develop standardized training programmes aimed at service providers and facilitate the use of tools/standard approaches in service delivery for increasing women and girls' safety in urban public spaces	34 countries (Afghanistan, Bangladesh, Bolivia, Bosnia and Herzegovina, Burundi, Cameroon, Cape Verde, Colombia, Democratic Republic of Congo, Ecuador, Egypt, El Salvador, Ethiopia, Fiji, FYR Macedonia, Georgia, Guatemala, Haiti, Honduras, India, Kazakhstan, Kenya, Kiribati, Kosovo, Mali, Morocco, Nigeria, Palestine, Papua New Guinea, Paraguay, Somalia, Tajikistan, Tunisia, Zimbabwe)
	Number of Safe Cities model approaches that are tested, evaluated and adopted for up scaling by local authorities	4 (Cape Town, Dublin, Sakai, Winnipeg)
Output: National women's machinery and gender equality advocates advocate for the adoption of laws and policies and strengthened services that respond to and prevent violence against women.	Number of countries supported by UN Women where key staff of relevant ministries and gender equality advocates draft appropriate laws/policies, ministerial procedures, service delivery and plans that address violence against women	25 countries (Albania, Bangladesh, Burundi, Cambodia, Cape Verde, Ecuador, Fiji, FYR Macedonia, Georgia, Haiti, Jordan, Kazakhstan, Kiribati, Kyrgyzstan, Lao PDR, Moldova, Morocco, Mozambique, Nepal, Samoa, Solomon Islands, Sudan, Tonga, Vanuatu, Viet Nam)

RESULT STATEMENT	INDICATOR	RESULT 2013 ¹⁹
Outcome: Women from excluded groups influence policies, actions and budgets to address VAWG		
Output: Women from excluded groups have the capacity to advocate for incorporation of specific provisions on ending violence against women into national policy and legislative frameworks	Number of countries supported by UN Women where women from excluded groups provide inputs into national policies addressing violence against women	12 countries (Fiji, Jamaica, Kazakhstan, Kiribati, Mexico, Morocco, Papua New Guinea, Serbia, Solomon Islands, St. Vincent and the Grenadines, Tanzania, Tonga)
Output: Dialogue mechanisms established among partners including for south-south exchange of experiences to address violence against women	Number of countries supported by UN Women where dialogue mechanisms are established among partners including for south-south exchange of experiences to address violence against women	12 countries (Colombia, Egypt, Ethiopia, Kenya, Kyrgyzstan, Lao PDR, Morocco, Rwanda, Senegal, Tajikistan, Tanzania, Timor-Leste)
Output: Strengthened partner mobilization for 'zero tolerance' on VAW at global, regional and national levels	Number of countries where there is strengthened partner mobilization for 'zero tolerance' on VAW at global, regional and national levels	43 countries (Afghanistan, Albania, Antigua & Barbuda, Bolivia, Bosnia and Herzegovina, Brazil, Cambodia, Colombia, Dominica, Ecuador, Egypt, Ethiopia, FYR Macedonia, Georgia, Guatemala, Honduras, India, Indonesia, Kenya, Kosovo, Lao PDR, Maldives, Mexico, Moldova, Morocco, Mozambique, Nicaragua, Papua New Guinea, Paraguay, Philippines, Senegal, Serbia, Slovakia, Somalia, South Africa, South Sudan, Sudan, Tanzania, Thailand, Trinidad and Tobago, Tunisia, Uganda, Viet Nam)

RESULT STATEMENT	INDICATOR	RESULT 2013 ¹⁹
Outcome: Gender equality commitments adopted and implemented in conflict, post-conflict and humanitarian emergencies.		
Output: A body of knowledge and tools about gender responsive post conflict response including transitional justice, peace building and for humanitarian response is made accessible to gender equality advocates and decision-making bodies	Number of countries supported by UN Women where there is evidence of the use of knowledge products and tools (made available by UN Women) by decision making bodies and gender equality advocates in the drafting of laws/policies/action plans	10 countries (China, Ethiopia, Fiji, FYR Macedonia, Georgia, Pakistan, Samoa, Serbia, Timor-Leste, Viet Nam)
Output: Gender-responsive mechanisms for dialogue between government and women's groups for peace negotiations, transitional justice, peace building, and humanitarian response in place to implement GE commitments	Number of countries supported by UN Women where gender-responsive dialogue mechanisms between government and non-government actors for transitional justice, peace building and humanitarian response are in place	12 countries (Colombia, FYR Macedonia, Guatemala, Kazakhstan, Kyrgyzstan, Mali, Nepal, Papua New Guinea, Serbia, Sudan, Timor-Leste, Zimbabwe)
Outcome: Gender equality advocates influence peace talks, recovery/peace building planning processes and transitional justice processes		
Output: Enhanced capacity (knowledge, skills, opportunities, resources) of gender advocates to influence peace talks, recovery/peace building planning processes and transitional justice processes	Number of countries supported by UN Women where gender equality advocates are able to develop national consensus/ charters on key gender equality considerations in peace talks, recovery/peace building planning processes and transitional justice processes	15 countries (Afghanistan, Bosnia and Herzegovina, Democratic Republic of Congo, Georgia, Iraq, Kyrgyzstan, Mali, Nepal, Philippines, Serbia, South Sudan, Sudan, Tajikistan, Tanzania, Zimbabwe)
Output: Capacity of women NGOs is strengthened to advocate for national action plan on 1325 adoption	Number of countries supported by UN Women where gender equality advocates participate in the process of drafting for national action plans on 1325 adoption	11 countries (Bosnia and Herzegovina, Georgia, Guatemala, Indonesia, Kazakhstan, Kyrgyzstan, Papua New Guinea, Philippines, Serbia, Solomon Islands, South Sudan)
Output: Gender quality advocates have	Number of countries supported by UN	7 countries (Afghanistan, Bosnia

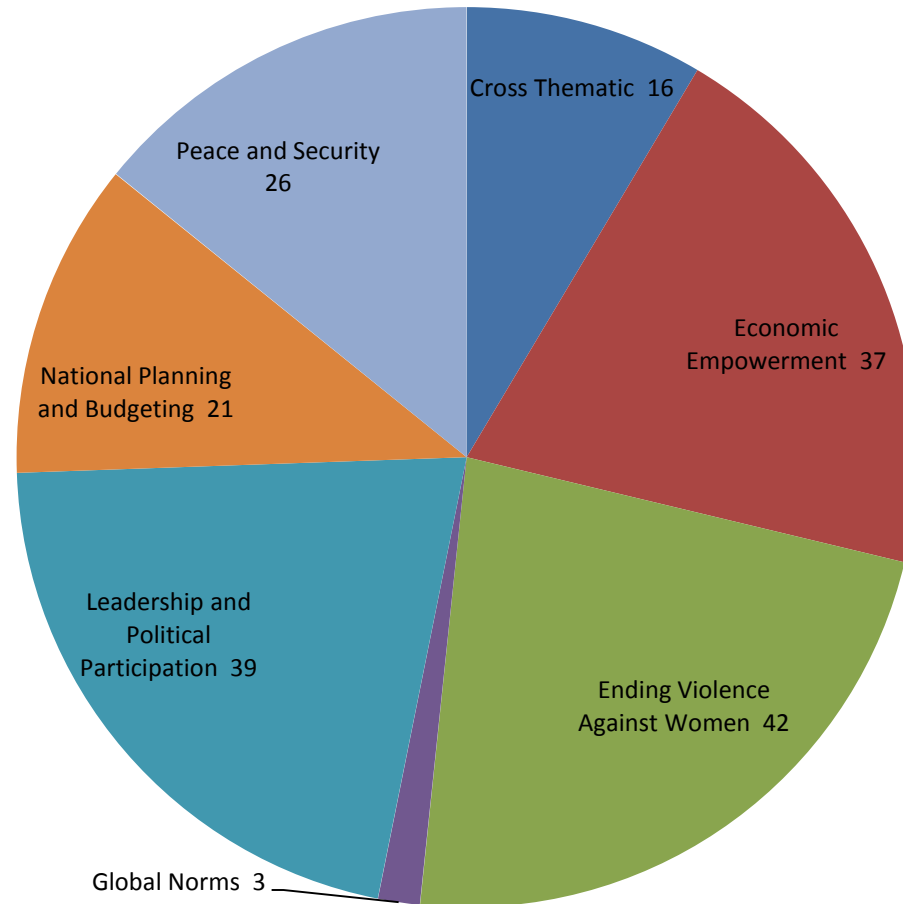

RESULT STATEMENT	INDICATOR	RESULT 2013 ¹⁹
knowledge, tools and resources to establish centers and spaces for women and girls affected by crisis	Women where gender equality advocates establish information/referral centers and safe spaces for women and girls affected by crisis	and Herzegovina, Georgia, Kyrgyzstan, Pakistan, Serbia, South Sudan)
Outcome: Strengthened and coordinated UN system implementation of Security Council resolutions (1325, 1820, 1888, 1889 and 1960) and the SG's Seven Point Action		
Output: Guidelines and performance indicators adopted for UNCT to support women, peace and security programming	Number of countries supported by UN Women where UNCTS adopt guidelines and performance indicators on women, peace and security programming	5 countries (Cote D'Ivoire, Liberia, Mali, South Sudan, Zimbabwe)
Outcome: National security sector and UN security sector structures, humanitarian clusters, and partners in UN Action against Sexual Violence in Conflict equipped to promote and protect women's rights		
Output: Increased availability of analysis, tools knowledge products and data on the role of security sector in the prevention of sexual violence against women in conflict situations	Number of countries where analysis, tools, knowledge products and data are available on the role of security sector in the prevention of sexual violence against women in conflict situations	6 countries (Bosnia and Herzegovina, Brazil, Kenya, Nepal, Palestine, Pakistan)
Output: Increased capacity of national security sector institutions and partners to formulate policies and measures for addressing sexual violence in conflict (SVC)	Number of countries where national security sector institutions and partners drafted policies and measures for addressing sexual violence in conflict (SVC)	5 countries (Cote D'Ivoire, Georgia, Kenya, Rwanda, South Africa)
Outcome: National development strategies (NDSs) and other national sectoral plans with specific commitments to advance gender equality and women's empowerment adopted and implemented		
Output: Key government institutions at national and local levels have knowledge and tools to analyze, formulate and execute gender-responsive plans and budgets	Number of countries supported by UN Women where key finance and planning ministries and other line ministries at national and local levels formulate draft gender-responsive plans and budgets	27 countries (Afghanistan, Bolivia, British Virgin Islands, Burundi, Cambodia, Colombia, Egypt, Ethiopia, FYR Macedonia, Haiti, Honduras, Kenya, Mali, Mexico, Morocco, Mozambique, Namibia,

		Nepal, Palestine, Pakistan, Paraguay, Rwanda, South Sudan, Timor-Leste, Uganda, Uruguay, Viet Nam)
Outcome: Mechanisms for monitoring implementation of gender equality commitments regularly generate analysis and evidence on gaps and performance.		
Output: Tools are accessible to key institutions for monitoring budget allocations and tracking of expenditures from a gender perspective	Number of countries supported by UN Women where tools made accessible by UN Women are used in monitoring budget allocations and tracking expenditures from a gender perspective	16 countries (Albania, Bangladesh, Bolivia, Cambodia, Colombia, Ecuador, El Salvador, Georgia, India, Iraq, Kyrgyzstan, Mozambique, Nepal, Tanzania, Ukraine, Viet Nam)
Output: Capacities of gender equality advocate and women's groups are strengthened to track budget allocations and expenditures from a gender perspective	Number of countries supported by UN Women where gender equality advocates and women's groups track budget allocations and track expenditures from a gender perspective	19 countries (Albania, Bangladesh, Bolivia, Bosnia and Herzegovina, Burundi, Grenada, Haiti, Honduras, Jamaica, Jordan, Kyrgyzstan, Mexico, Morocco, Russia, Serbia, Somalia, Timor-Leste, Uganda, Zimbabwe)
Output: National dialogue mechanisms involving government and civil society for promoting the implementation of gender responsive planning, budgeting and monitoring are in place	Number of countries supported by UN Women where dialogue mechanisms involving government and civil society are in place for promoting the implementation of gender-responsive planning, budgeting and monitoring	7 countries (Colombia, FYR Macedonia, Jordan, Kyrgyzstan, Malawi, Ukraine, Yemen)
Output: Enhanced capacity of government to assess progress in the implementation of CEDAW	Number of countries supported by UN Women where governments monitor progress in the implementation of CEDAW	17 countries (Afghanistan, Bangladesh, Cambodia, FYR Macedonia, Lao PDR, Marshall Islands, Moldova, Philippines,

RESULT STATEMENT	INDICATOR	RESULT 2013 ¹⁹
		Samoa, Seychelles, Solomon Islands, Tajikistan, Thailand, Timor-Leste, Uzbekistan, Vanuatu, Viet Nam)
Outcome: Gender equality advocates influence decision making to promote gender equality in national development strategies/plans including those on HIV/AIDS		
Output: Grassroots women, activists and women's networks including HIV positive women have strengthened their capacities to have their proposals incorporated in development strategies/ plans and budgets at the national and local levels	Number of countries supported by UN Women where grassroots women, activists and women's networks develop clear agendas/charters for influencing national development strategies/plans and budgets and CEDAW implementation at the national and local levels	13 countries (Cambodia, FYR Macedonia, Georgia, Indonesia, Iraq, Morocco, Nepal, Philippines, Serbia, Tajikistan, Timor-Leste, Ukraine, Uzbekistan)
Outcome: Global policy and normative framework for gender equality and women's empowerment is strengthened		
Output: Discussion guides made available for CSW official interactive events	Percentage of discussion guides for CSW official interactive events that are made available to Member States prior to opening of the CSW session	100%
Outcome: Sectoral global policy and normative frameworks reflect gender equality and women's empowerment perspectives		
Output: Substantive inputs that expand knowledge on gender perspectives are provided to sectoral, global inter-governmental processes/issues	Percentage of selected sectoral global inter-governmental processes for which substantive inputs reflecting a gender perspective were made available	100%
Outcome: The global normative and policy framework for gender equality and women's empowerment benefit from implementation experience on the ground		
Output: Substantive inputs provided or made available to inter-governmental norm setting forums reflect field level experience	Percentage of SG reports prepared by UN Women for the GA that refer to field-level actions by UN Women to implement global instruments, standards and resolutions	100%
