- COMESA Gender Mainstreaming Strategic Action Plan

What UN Women is doing

UN Women continues to support national and civil society counterparts in the region in a number of areas, including:

- **Political Participation**, e.g. Women's participation in Electoral processes in Nigeria and Kenya, non-partisan women's coalitions in Tanzania, Senegal, Sierra Leone, Cameroon and Mali.
- **Economic empowerment**, e.g. providing skills & technology to women and girls to increase agricultural production, access to markets and value chain development in Tanzania, Rwanda Senegal, Liberia, Mali, and Cape Verde. Gender responsive affirmative procurement policies Kenya, SA.
- **Ending Violence Against Women and Girls**, e.g. support to judicial systems to increase access to justice and end impunity, sensitizing key non-state actors - religious leaders and men's associations to prevent VAW/G.

What UN Women is doing

- **Women Peace and Security** e.g. the training and development networks of skilled women mediators in South Sudan, Mali and Cote d'Ivoire, and support to socio-economic reintegration of survivors of sexual and gender-based violence in the DRC. Launch of African women's leadership network to strengthen in peace and security in Africa
- **Gender Sensitive Planning and Budgeting** e.g. support to local authorities in the planning and implementation of engendered decentralization policies in Senegal and Sierra Leone.
