UN WOMEN: Programme Activities

Alia El-Yassir
Deputy Director a.i, Programme
Division
30 January 2018

A comprehensive set of global norms and standards on gender equality and women's empowerment is strengthened and implemented

Women lead, participate and benefit equally from governance systems

Women have income security, decent work and economic autonomy

All women and girls live a life free from all forms of violence

Women and girls contribute to and have greater influence in building sustainable peace and resilience and benefit equally from the prevention of natural disasters and conflicts and from humanitarian action

Regional thematic shift from 2014 to 2017
