

UPDATE

Independent, Victim-Centred Review on Tackling Sexual Exploitation & Abuse and Sexual Harassment

IMPLEMENTATION PROGRESS OVERVIEW

2020-2021 ACTION APPROACH

UN-WOMEN INTERNAL

- Empowerment of UN-Women regional and country SEA and SH Focal Points
- Personnel awareness raising

- Coordination of UN-Women internal initiatives across all levels of the organization

Leverage existing resources and capacities

Ensure cohesion and coordination

- Participation in UN system-wide SEA and SH initiatives
- Benchmarking best practices of other UN entities

- Alignment with UN system-wide SEA and SH approach and UNCT implementation

UN SYSTEM-WIDE

UN WOMEN INTERNAL ACTIONS

Establishment of a **PSEA and SH Focal Point network**

Undertaking of a **mapping and gap analysis** of internal SEA and SH resources

Development of corresponding **resource management plan**

Creation of a **SEA and SH Community of Practice for Focal Points** (including toolkit)

Design and facilitate **PSEA and SH Focal Point capacity-building workshop**

Development of **interactive scenario-based SEA and SH trainings** (piloted in 4 country offices)

Planning of a multi-phase **SH awareness raising campaign**

Organization of **regular internal taskforce meetings**

UN SYSTEM-WIDE EFFORTS

Active engagement with the **CEB Taskforce on Addressing SH**

- Co-leading of CEB Taskforce Workstream 4 on **Outreach & Knowledge Sharing**
- Provision of technical advice to Workstream 2 on **Advancing a Victim-Centred Approach to Tackling SH**, Workstream 3 on **Learning & Communication**, and Workstream 5 on **Leadership & Culture**

Continuous participation in the **UN-wide SEA Working Group**

- Coordination of interagency PSEA Focal Point training in Senegal
- Support for UN-Women input to UNCT-coordinated in-country PSEA action plans

THANK YOU
